## UKIP man got 'behead' threat

A MAN has been convicted of threatening to behead a UKIP election candidate.

Aftab Ahmed, 45, made the comment during a heated phone call with David Robinson-Young at the end of April, in the run-up to the general election.

After the phone call, Mr Robinson-Young said he was left extremely concerned for his personal safety.

He told Newcastle JP's someone calling himself Mr Khan rang him after receiving a UKIP leaflet.

Mr Robinson-Young said he listened for 20 minutes but warned the man he would put the phone down if he did not calm down.

The barrister said at the time: "Mr Khan then swore at me saying, 'you had better f\*\*k off or you will be beheaded next'."

Mr Robinson-Young added: "This caller was ranting on and on saying the government supports bombing 'my Muslim brothers' abroad."

Mr Robinson-Young, a 62-year-old former police officer, was UKIP's candidate in the Newcastle East constituency and came third, polling 4,910 votes.

Ahmed (above), of Heaton, denied a charge of making a threat to kill but was convicted following a trial at Newcastle Magistrates' Court.

He will be sentenced later today.

## Pink tribute for Kirsty's last journey

HUNDREDS of people wore pink and lined streets to pay tribute to inspirational fundraiser Kirsty Howard at her funeral.

Crowds applauded as the cortège, led by a horse-drawn white hearse, travelled to St Michael & All Angels church in Wythenshawe, Manchester.

The 20-year-old, who died last month after

defying medical odds, made her last journey in a pink coffin.

Her parents, Lynn and Steve, had been told Kirsty would not live past her fourth birthday after she was born with her heart back to front.

Yet Kirsty, who had only just celebrated her birthday, raised more than £7.5 million for Francis House Children's Hospice in Manchester,

which was opened by Diana, Princess of Wales, in 1991.

During her lifetime she became a fundraiser for the charity and became the face of its appeal to help care for terminally ill children.

Among those paying tribute to her was Royle Family star Sue Johnston and Coronation Street actress Samia Ghadie.

The private service was

also attended by opera singer Russell Watson. Following news of her death he had tweeted, "My inspirational friend Kirsty Howard is with the Angels. My heart is aching so much. RIP Angel forever xxxx"

Watson's track *Is Nothing Sacred Anymore*, which he recorded for Kirsty, was played as her coffin was carried into the church.

Dozens of people who were unable to fit into the church gathered by the doors to try to hear what was being said.

Actress Sue Jenkins and her singer and stage star son Richard Fleeshman also attended the funeral.

Fleeshman, who won *Soapstar Superstar* in 2006, donated his £200,000 prize money to The Kirsty Appeal.

Actress Johnston gave a reading at the funeral service.

Anyone who wishes to donate can do so at [justgiving.com/kirstyclub](http://justgiving.com/kirstyclub) or [www.thekirstyclub.com](http://www.thekirstyclub.com).

## 15 'illegals' found in lorry

FIFTEEN suspected illegal immigrants have been detained after being found in a refrigerated lorry.

Police were called to reports of banging coming from the vehicle outside the village of Fordham in Cambridgeshire just before 7am on Tuesday.

Of the 15 men, all believed to be from Iran or Iraq, eight were taken to King's Lynn police station and seven to Huntingdon police station. They will be referred to immigration officials.

The lorry driver, a 42-year-old from Bulgaria, has been arrested on suspicion of facilitating illegal entry to the UK.

# FOURTH MAN IS HELD OVER CLAPHAM SEX ATTACKS

SUSPECT: Man on CCTV

**ANOTHER suspect has been arrested by detectives investigating a string of sex attacks in south London as cops consider the possibility of 'copycat' beasts on the loose.**

Scotland Yard said the 24-year-old man was detained in the Brixton Hill area on suspicion of sexual assault and is being questioned.

Nine women have been attacked in a series of incidents in Clapham and Brixton in the past month and police believe they are linked.

Officers are warning women to be "vigilant" and asking them to report anything that makes them feel unsafe.

The latest suspect is the fourth to be arrested by police

in connection with the incidents. Two men, aged 34 and 30, were bailed pending further inquiries and a third, aged 32, was also arrested.

Speaking before the latest arrest, Commander Simon Letchford said detectives had not ruled out the possibility of "copycat" attacks.

### Touching

He said: "It may well be that we have one attacker, it may well be that we have copycat individuals, but we certainly will keep an open mind."

The suspect is described as a man with dark hair, and as

being of a Mediterranean or possibly Middle Eastern appearance.

In the latest incident, police were called shortly after 5.40pm on October 31 after a woman was approached by a man while her back was turned.

The victim called for help after he began touching her and the attacker – whose description matched those of similar assaults – fled in the direction of Landor Road.

The previous assaults have seen lone women targeted late at night in residential areas. All of the victims were aged in their 20s and 30s.

The string of offences began in Clapham on Friday October 9 when a 23-year-old woman was grabbed on

Clitheroe Road and assaulted, but the suspect ran off after she raised the alarm.

Early the following morning, a man tried to engage a 30-year-old woman in conversation before grabbing her on Deauville Court.

On October 22, a 32-year-old victim was followed along Trent Road by a man who put his hand up her dress.

Three attacks were reported in as many hours on Monday evening, involving women aged 35, 28 and 26.

The youngest of those victims was recorded on CCTV being approached from behind by a suspect as she tried to enter her home.

Two more attacks targeted a 28-year-old woman and another woman aged 31.

## BECKY KILLER WAS 'ANGRY'

THE woman accused of murdering Becky Watts has told a jury that her boyfriend was "controlling and angry" in the lead-up to the teenager's death.

Shauna Hoare, 21, is alleged to have killed the 16-year-old in a sexually motivated kidnap plot with Nathan Matthews (left), 28, on February 19.

Matthews admits killing the teenager and having

Hoare, who denies any involvement before or after Becky's death, told the jury at Bristol Crown Court her relationship with Matthews had not been "good" at the time.

She said: "It still wasn't happy. It was better than it had been before. He was still controlling, he was still quite angry at me most of the time."

"Normally he would call me fat a lot of the time or

make mean jokes about my weight.

"He would point out my stretch marks and not be very nice about me."

On her third day in the witness box, Hoare told the jury she was "angry" at Matthews after hearing of his "confession" following their arrests.

She said: "It was just the fact that he had lied the whole entire time."

The trial continues

MICHELLE Keegan has admitted she WILL have surgery – and her husband STEALS her make-up.

The busty brunette is rumoured to have had lip fillers and previously denied going under the knife.

But the 28-year-old has now revealed she hasn't ruled out a future nip and tuck.

She said: "I would never say never. "People always ask, 'have you or haven't you had Botox?' "But it's my business, it's my face.

"So what if I have or haven't?"

Michelle married *TOWIE* star Mark Wright at a lavish ceremony in Suffolk earlier this year.

She added: "Mark nicks my products all the time – he's always moisturising."

## Jess has a bawl singing track for Children In Need

SINGER Jess Glynne's *Take Me Home* has been announced as the official single for this year's BBC *Children In Need*.

Talking about her latest track, which is now on sale, Jess said: "This is a song about the need to have someone who cares when you are at your most vulnerable.

"It's an emotional song for me and I have to admit it brings me to tears when I sing it live, likewise when I made the video.

"I hope it makes people realise that they should reach out to others at a time of need.

"I'm so excited for it to be part of BBC *Children In Need*. It's such a special cause."

If it reaches top spot on the singles charts, Jess will make history as the first British solo female to have had six No.1 singles.

## Chariots writer Col dies at 81

OSCAR-WINNING writer and actor Colin Welland – the man who penned *Chariots of Fire* – has died aged 81, his family said yesterday.

The Lancashire-born dad-of-four acted in everything from *Kes* to *Z Cars* and won his Academy Award for the screenplay of *Chariots of Fire* in 1981 – famously waving his statue and announcing in his acceptance speech: “The British are coming!”

His family said in a statement that Colin had suffered from Alzheimer’s disease for several years but died peacefully in his sleep.

The statement read: “Colin will be desperately missed by his family and friends.

“Alzheimer’s is a cruel illness, and there have been difficult times, but in the end Colin died peacefully in his sleep.

“We are proud of his many achievements during his life but most of all he will be missed as a loving and generous friend, husband, father and granddad.”

He is survived by wife Patricia, four children and six grandchildren.

Gary Barlow, Howard Donald and Mark Owen will perform their new single *Hey Boy* when *Strictly* returns to the seaside on November 21 as the celebs and their professional partners take a trip to the “home of ballroom”.

Take That said: “We love playing *Strictly* and the Blackpool crowd are always up for a big night!”

As the eight remaining couples take to the floor, the tower will be lit up as part of the Blackpool Illuminations.

Judge Craig Revel Horwood said: “The Blackpool Tower Ballroom is one of the most stunning ballrooms in the world and there is a real magic to the place.”

## Melissa’s a double flash-ion icon!

**MELISSA** Reeves left nothing to the imagination after suffering not one, but TWO wardrobe malfunctions in this slinky gown.

The *Ex On The Beach* stunna stepped out in the nude floor-length frock to attend a charity gala hosted by Chloe Goodman and Marnie Simpson.

But the 23-year-old flashed more than intended as she made her entrance in the cut-away dress – when a gust of wind blew it up and flashed her shaven minge to waiting photographers.

And it seems she didn’t learn from her initial mishap as her outfit slipped again to reveal a nipple as she made her way out of the fundraising bash.

One onlooker said: “You’ve got to love Melissa – not one cheeky flash, but two.

“She’s proper value for money, that lass!”

# LOUIS THEROUX DIGS UP MORE ON SAVILE

## BBC presenter pal to make new documentary on paedo monster

By HELEN PYE

news@sundaysport.co.uk

**FILMMAKER** Louis Theroux is set to make a follow-up documentary about evil Jimmy Savile – 15 years after he shot *When Louis Met Jimmy* for BBC2.

In the first documentary Theroux questioned Savile about the rumours he was a paedophile, which the former *Top Of The Pops* presenter flatly rejected.

Despite spending three months with the prolific sex offender, Louis failed to expose his sexual abuse and went on to maintain a friendship with Savile between 1999 and 2004, even staying on occasion at the ex *Jim’ll Fix It* presenter’s house.

In the new film, the 45-year-old documentary maker will revisit his subject to try and “understand the truth more fully” by talking to Savile’s alleged victims, friends and family – including those he was introduced to by the radio host.

### Scandal

The BBC said Theroux will investigate “how someone he once called a friend used his celebrity status to commit these crimes” and how his public image afforded him immunity.

He will also explore the impact Savile’s crimes had on his alleged victims and how he escaped justice for so long.

In October 2012, a year after his death, aged 84, an ITV documentary called *The Other Side of Jimmy Savile* broke the seal on the sexual abuse scandal.

The full extent of his crimes was revealed with Operation Yewtree’s 2013 report recording 214 criminal offences committed by the star and a further Department of Health report finding he committed sexual attacks at 28 NHS hospitals.

In comments on comedian Richard Herring’s Leicester Square Theatre podcast in July this year, Theroux said: “I have grappled with, as someone who made a documentary about him, spent 10 days with him and failed to reveal the fact that he was one

**FRIENDS:** Louis (top) and Savile

of the most prolific sex offenders of modern times possibly.

“I feel a sense of responsibility. I’m trying to go back and figure out how did I miss that?”

Kim Shillinglaw, controller of BBC2 and BBC4, said: “BBC2 should be part of the national conversation and this challenging subject matter is the kind I want to see on the channel.

“Louis Theroux is one of the country’s most talented filmmakers, and I am very pleased that he is revisiting this important – and deeply personal – subject for us, asking difficult questions about the life of Jimmy Savile and those around him and exploring the impact his crimes had on his victims.”

Louis Theroux’s new documentary on Jimmy Savile will air on BBC2 next year.

## Sienna loves mouthful of British meat

**HORNY** Sienna Miller has revealed she loves a good sausage – because FOOD turns her on.

Hollywood's A-listers are well known for their fad diets and sala- nibbling habits.

But the *Layer Cake* actress said she isn't picky about what she puts between her lady lips.

And the way to impress her isn't with a designer dress, but with a FRY-UP.

The 33-year-old (above) said: "I love Bovril, it's probably packed with MSG but I don't care."

"My taste in food is old-school and British."

"Actors have a certain reputation, and I've spent time in Hollywood, but I'm a pasta-loving, meat eating English girl."

"I'm so easy, I love food so much. I regularly have culinary orgasms."

New York-born Sienna is starring in kitchen drama *Burnt* alongside Bradley Cooper.

A **BOOZER** who "forgot to put his penis away" after pissing against a garden wall has been jailed for six weeks.

Prosecutor Julian Stephens said: "After finishing he walked off and in a fleeting glance caught on CCTV he forgot to put his penis away and was so drunk he did not know what he was doing."

"He was extremely intoxicated as he walked off and then got a few funny glances from a male cyclist and another male who walked by."

Mayne had just been kicked out of a pub he was banned from in Yeovil, Somerset.

He admitted a string of offences, including threatening behaviour and being drunk and disorderly.

A source said: "Georgia clearly has the One Direction star's full attention, and who can blame him for wanting to dip his wick."

"If you had the choice between spending your time with Simon Cowell, or getting your hands on this lovely lady, what would any bloke choose?"

"If nothing else she'll stir his creative juices."

Harry has formerly been linked with *X Factor* presenter Caroline Flack, *Shake It Off* signer Taylor Swift and Pussycat Doll Nicole Scherzinger.

## Jameela sick of 'penis with side order of regret'

**FRUSTRATED** Jameela Jamil admitted she loves nothing more than a night in – because she's sick of COCK.

The stunning 29-year-old revealed she gets bombarded with rod-on wielding men whenever she goes out on the town.

And rather than run the gauntlet of sleazy stiffies, she prefers to stay in and play with herself.

The London-born brunette said: "I'd much rather stay at home."

"I've had some amazing nights out, but I've also suffered enough stinkers to know I'm not usually missing much when I choose a date with my sofa instead."

"I don't like the fact that you can't go for a drink or a boogie without men assuming you and your mates are simply waiting to be interrupted by an offer of penis with a side order of regret."

Jameela is now living in Los Angeles after a cancer scare earlier this year saw her quit her job as a BBC Radio One DJ and move across the Atlantic.

Rolf Bantle, 71, had travelled from Switzerland to watch his team Basel take on the Italian giants in the Champions League.

But when he left the famous San Siro stadium he ended up losing his way and with no money or mobile phone he ended up sleeping rough.

Rolf was only found when he slipped and broke his leg and couldn't afford to pay for his operation.

Swiss diplomats got involved and he has now been taken back to his home town.

Describing what happened he said: "After going to the toilet in the stadium, I became disoriented and could not find my colleagues."

**AMAZING TATTS:** Kayla and Connor look a great match

**HUNKY** Crystal Palace footballer Connor Wickham might be temporarily out of action on the pitch... but he has scored a real beauty off it.

The 22-year-old forward has bagged himself a sexy new squeeze in the form of professional dancer and fire performer Kayla Cadorna.

And looking at these sizzling TOPLESS snaps, we're sure the injured former England Under-21 player has plenty to keep him occupied while he recovers from a rib injury.

### Busty

The heavily tattooed pair are rumoured to have been dating for the past couple of months after Kayla posted loved up snaps of her with the former Sunderland star on Instagram.

Their social media profiles are littered with cosy pictures of the pair showing off

And it seems stunning Kayla is the latest in a long line of busty babes to have caught the Premier League star's attention.

The bearded young sportsman has also enjoyed flings with *Celebrity Big Brother* babe Cami-Li – and was rumoured to be dating *TOWIE*'s Jess Wright at the start of the summer.

Wickham joined Crystal Palace in August on a five-year deal for an undisclosed fee after four years with Sunderland, including loan spells at Sheffield Wednesday and Leeds United.

He has made 36 appearances for England at Under-16, Under-17, Under-19 and Under-21 level.

He made his Palace debut on 8 August against Norwich City but has been out of the squad since 16 August after being injured in a clash against Arsenal.

## Carrie: Star Wars killed my sex life

STAR Wars babe Carrie Fisher has revealed how starring in the film put the kybosh on her SEX life.

The brunette says playing Princess Leia meant she was always on her guard when it came to new romances.

She claims lots of men only wanted to bang her because of who she played in the hit space drama flick.

The 59-year-old said: "It's hard to date once you're a big *Star Wars* star because you don't want to give people the ability to say, 'I had sex with Princess Leia'."

And offering advice to Daisy Ridley, 23, who is playing the lead role in the latest version of the franchise, she told her to expect to become fans' wank fodder.

She said: You're going to have people have fantasies about you!

"That will make you uncomfortable, I'm guessing."

GUINNESS is set to change its 256-year-old recipe – so that VEGANS can enjoy it, too.

The Irish brewer, based at their famous St. James's Gate Brewery in Dublin, will stop using fish bladders to filter its iconic dark stout.

Fish collagen – also known as isinglass – has been used since day one at Guinness, to help yeast settle faster and clarify the booze.

But it imparts no taste, nor does it alter the beer's texture – which has spurred Guinness lovers to appeal through online petitions.

The new fish-free filtration process is set to start in 2016.

A Guinness spokesman said: "While isinglass is a very effective means of clarification, and has been for many years, we expect to stop using it as the new filtration asset is introduced."

**STRAIGHT TALKING**

**FROM UKIP'S DEPUTY LEADER**

**BILLS** are hard enough to pay for without a hefty one landing unexpectedly on your doormat.

And we've all been there, haven't we?

The routine MoT test that throws up all sorts of engine problems. A horrible brown envelope from the taxman. The gas bill after a particularly cold winter.

More recently there has been mobile phone roaming charges making headlines, when some people have returned home from holidays abroad only to find themselves with a massive charge for data usage.

And it's true, the mobile phone operators have been having a field day as unsuspecting customers scour Facebook and update Twitter from their sun loungers, unaware of what it's costing them.

Last week the European Union moved to scrap data roaming charges throughout its 28 member states, so that using phones in mainland Europe will be charged the same rate as at home.

Theoretically this means that when this system eventually comes into play we can save money. But actually the opposite will be true.

For starters, most people don't spend their lives travelling between different European countries.

That sort of lifestyle is reserved for just a few – the well-heeled business executives and, yes, Members of the European Parliament like me.

So while my fellow MEPs and I can look forward to lower phone bills in the future, what does that mean for the vast

## Hidden costs of slashing mobile roaming charge

majority of mobile phone users who spend nearly all their time in the UK?

Think about this – the mobile operators are huge, multi-billion pound corporate giants with shareholders looking for returns on their investment.

That means driving profits from anywhere they can be found.

As the EU has forced through a way to stop the operators making money out of roaming charges, they'll have to look elsewhere to fill that void.

And the most likely answer to that problem will be you – the domestic mobile user.

Taking away a slice of a company's income from one area will automatically see them identifying other areas for growth.

And what now seems likely is that income will be replaced by

increasing what I'd argue are already high charges for using our phones here in the UK.

That means that people who own mobile phones and perhaps don't even take a fortnight's holiday abroad once a year, will be subsidising those that do.

How can that be right?

It's quite canny when you think about it as there are more than 88 million phones used in the UK.

Most of them will be used here and even just a few pence extra on their bills will deliver huge swathes of cash into the operator's coffers – just so those Facebookers and Tweeters can surf at their leisure by the swimming pool.

As usual the EU has not thought of the consequences and has pushed through legislation that will benefit the privileged few and not the many.

Under the new system, an OAP on pay-as-you-go could end up subsidising MEPs' phone bills.

That is why this is a bad law – and that's why UKIP opposed it.

## Justin Dunn's Room 101

**WHAT'S ANNOYING HIM THIS WEEK?**

## Hollywood just milks heroes for more zeros

FOR all the great special effects and brain-splintering sound systems, I'm finding a trip to the cinema is getting a bit tedious.

All there ever seems to be on is superheroes, sequels and that dreaded word, the "reboot".

Have a gander at the fare being served up recently – new versions of *Terminator*, *Superman*, *Hulk* and *Godzilla*.

Then there's the new *Jurassic Park* – which I watched at the weekend and was gutted to find was utter crap – and the latest entry into the *Spider-Man* collection.

True, I'm excited about the up and coming new *Star Wars* flick – but then I was excited about *The Phantom Menace* 20-odd years ago, and look where that got me.

### Unoriginal

They've even, for reasons best known to studio execs, remade the musical *Annie* – much to my other half Annie's delight, as she hates the song *Tomorrow* being sung to her by unoriginal idiots like me.

Including appearances in other Marvel films, Robert Downey Jr's *Iron Man* has now appeared in approximately 9,000 movies.

*Captain America* is set for yet another outing, Jennifer Lawrence returns in the third *Hunger Games* film due out

soon and we're about to welcome in Ben Affleck as the "new" *Batman*.

The latest Bond has been described as a "homage" to previous movies in the franchise, but that's just another way of saying they've nicked loads of old bits and tarted them up for a new audience.

Whatever happened to

originality? Money – that's what.

Somewhere along the line we seemed to fall out of love with "proper" films, new storylines and cutting edge directors.

Instead we just get the same duff stuff month after month because the big Hollywood studios will only trust a sure-fire banker.

The truth is that turkeys like Johnny Depp's *Lone Ranger* and George Clooney's truly dreadful *Tomorrowland* keep those cigar-chomping money men awake at night.

So come the morning when faced with the choice of an

original script from an unknown screenwriter and the outline for *Jurassic Iron Bat 9*, and they'll opt for the latter immediately.

Add to that the cost of a foot-long hot dog, a gigantic ton of popcorn and enough cola drink to quench the thirst of the entire auditorium, and it all starts getting rather grim.

Filmmakers increasingly rely on gimmicks like 3D to thwart the online pirates, but if – like me – you already wear specs, then having a second pair on top is a right pain in the arse.

But with kids themselves turning to the net for entertainment, the cinemas could soon easily find themselves in trouble, with row after row of empty seats.

And that's one sad ending I'd genuinely hate to see.

**TITANIC** star Kate Winslet, 40, has banned social media from her home, saying it encourages eating disorders. But is that true? By the number of snaps being posted of what people are having for tea, I'd say it's actually quite the opposite.

**STUNNING** Kelly Brook is being plagued by online fans who keep telling her they want to wank off all over her body.

The beautiful model and actress posted a sexy picture of herself on Twitter showing off her sexy legs in a pair of high heels.

She wrote with the pic, "Get into the festive season with the Atkins Diet."

But the stunning 37-year-old, who is a spokeswoman for the carb-free diet, was inundated with fellas telling her the picture had left them desperate to pull their puddings over her horny snap.

The messages started fairly innocent with Neil Crowther writing, "I'd love to find you in my stocking at Christmas in you stockings."

But they soon got filthier with @hankscorpi0 writing, "Oh fuuuuuck I'd love to cum all over that ass of yours!!!!"

And ArsenalTom90 told her, "Gonna go wank myself into oblivion."

The vile messages left Kelly feeling quite uncomfortable, according to a pal.

She said: "Kelly loves her fans and she's not being ungrateful but she doesn't really want to hear about them playing with their cocks."

"What do they think is going to happen? Do they think she is going

to message them and say, 'Thanks for wanking over me'?"

"Or do they think that she is going to be so turned on at the thought of these blokes touching their meat missile that she will ask them to come round and give her one?"

"She doesn't get what they are trying to achieve. The whole thing is hellish but she won't let them drive her off Twitter."

The stall was set up in the canteen of a Glasgow City Council office to raise money for an orphanage.

But after just a few minutes shocked sellers called off the event and binned the goods for "fear of further contamination".

Officials are now scouring CCTV footage from the city centre office, in a bid to catch the culprits.

A source said: "The sale was called off and word quickly spread that all cakes had to be binned due to this malevolent act."

"Someone had rammed a sex toy through a chocolate cake."

"As further acts of malice could not be ruled out the rest of the baked goods were binned."

# BROOKIE Little

**By SAM WALKER**  
samw@sundaysport.co.uk

**KINKY** Brookie Little revealed she's always naked – and once stripped down in the CAR.

The 25-year-old stunna said the first thing she does after walking through her front door is get her kit off.

And sometimes the Weybridge-born blonde can't even wait that long – once got naughty with her man while driving down the motorway.

**Naked**

Here she is showing off her 30F bra-busters in just a pair of trainers.

She said: "When I am at home with my man I really like to just get naked."

"I always walk around in the buff. I crank the heating up and it makes me feel sexy all the time."

She added: "I once gave my fella a tit-wank on a motorway."

"We were driving down the M6 from Manchester when I started feeling a bit horny."

"I think some of the other drivers enjoyed it too."

GORE BLIMEY:  
Riri in  
out-takes  
from video

**SKILLZ:**  
Rihanna  
said she  
co-directs  
on 'Bitch'  
video

**HERE are the saucy snaps from Rihanna's raunchiest video that her bosses didn't want you to see.**

The busty Bajan has proven she will go to any length to get her money back in the eye-popping music video for *Bitch Better Have My Money*.

And the self-confessed bad girl managed to outdo herself like never before as she flashed the flesh in front of the camera in gory scenes that were cut from the final video.

The pop princess showed off her ample assets in a kinky see-through latex outfit whilst shooting her latest track.

Little was left to her fans'

imagination as the busty brunette struggled to contain herself in the barely-there outfit.

The wild scenes saw the 27-year-old go nude and get bloody as she takes revenge on a woman who owes her cash.

**Antics**

Shot like a classic gangster film, Riri's on-screen antics see her kidnap and torture the girl, smoke drugs, set her car on fire and evade police capture.

In addition to her racy moves, the singer showed she is talented behind the camera as well – after

she revealed that she helped to co-direct the seven-minute video.

She posted on social media, "Ya girl got director skillz!!! The concept for this piece came to me 8 months ago!!! So you can imagine how anxious I am right now!!!"

It seems that the video was met with high praise by her music peers after fellow rap diya Azealia Banks took to Twitter in awe.

She said, "Wow. Rihanna in bhhmm clip with the blood on her. What a witch. I got chills. Yes yes yes!!!!"

The sexy songstress is not the only famous face in the video. Bond villain and *Hannibal* star Mads Mikkelsen also make an appearance in the Tarantino-esque mini-movie.

## Car stalking sicko gets banged up

A MAN who followed young women and girls in his car and sexually assaulted one of his victims has been jailed for 14 months.

Nicholas Bennett, 26, targeted two women and a schoolgirl and tried to coax them to take a ride with him.

In one incident, he pulled up alongside a 16-year-old girl, stroked her arm and continued to follow her and stare at her after she refused to get into his car.

Details of the Ford car used in the offences were traced to Bennett (above), of Gillingham, Kent, leading to his arrest last May 1.

At Maidstone Crown Court for his trial he admitted to two counts of sexual harassment and one count of sexual assault.

Bennett was also barred from driving any motor vehicle alone unless it is for work purposes.

After sentencing, Det Con Phil Pead of Kent Police said: "Young women should be able to walk to and from school or work without being harassed by the likes of Bennett."

## Oldest tree is a tranny

**BRITAIN'S oldest tree is a transsexual!**

After 5,000 years living as a male the Fortingall Yew – one of the oldest living organisms in Europe – has become a female.

Experts at the Royal Botanic Garden in Edinburgh spotted three berries on a high branch of the tree in Perthshire and have now taken them for analysis as part of a conservation project.

Boffin Dr Max Coleman said: "This process may have happened before but we know the Fortingall Yew has been classed as male for hundreds of years through records.

"Yew trees are male or female usually and it is pretty easy to spot which is which in autumn – males have tiny things that produce pollen and females have bright red berries from autumn into winter.

## Su's repeat prescription as Beeb doc

THE BBC yesterday confirmed there will be another series of its hit show *Doctor Foster*.

Star Suranne Jones will reprise her role as scorned wife and GP Gemma Foster for the second series of the five-part drama, which was created by Mike Bartlett and first aired on BBC1 in September.

She said: "I am thrilled to announce we will all be reunited to tell Gemma's next chapter, and I can't wait for the audience who invested in these characters to find out the explosive twists and turns Mike has in store."

"Now we can look into what happens to a woman after divorce, deceit and revenge has taken its toll. What a gift of a part – and a dream to work with Mike Bartlett again!"

Around 10 million viewers tuned in for the explosive finale last month, which saw Gemma confront her husband Simon (Bertie Carvel) over his affair, in front of his lover.

*Doctor Foster*, which had a consolidated weekly audience of 8.2 million, was the highest-rating BBC drama this year after *Call The Midwife*.

Writer Bartlett said: "I've been astounded by the response to *Doctor Foster*. And I'm thrilled that we're going to tell the next chapter in Gemma's story."

## Lobster Col is up for a movie gong

ACTOR Colin Farrell has been nominated for Best Actor at the Moët British Independent Film Awards for his role in *The Lobster*.

Olivia Coleman and *Spectre*'s Ben Whishaw are nominated for their supporting roles in the sci-fi film in which singletons have 45 days to find a partner.

*The Lobster* tops the nominations list, competing in a total of seven categories – also including Best British Independent Film, Best Director, Best Screenplay and Producer of the Year.

The movie *45 Years*, starring first time nominees Charlotte Rampling and Tom Courtenay as a couple whose marriage is shaken by the death of the husband's first love, competes for six awards alongside Justin Kurzel's gory retelling of *Macbeth*.

Michael Fassbender's title role as the Scots Lord sees him up against Farrell, 39.

## Kendall takes b'day plunge!

**SEXY** Kendall Jenner kissed goodbye to her teens this week by rocking a barely-there playsuit for her 20th birthday bash.

The reality babe used the occasion to see how low she could go in her outfit after she donned a mesh panelled top which left very little to the imagination.

Flashing a hint of underboob, the model was unphased by the cameras and happy to show off her lack of bra.

She was joined at The Nice Guy in Hollywood by an array of A-listers – including her famous sisters Kim, Kourtney, Khloe and Kylie.

# PERRIE: FORGET ZAYN... I'M INTO FILM BABE MARGOT!

SPLIT: Perrie was dumped by Zayn

By JESS GALLEY

jess@sundaysport.co.uk

**SINGLE** pop pertlet Perrie Edwards hinted she swings **BOTH WAYS** after revealing her famous girl crush.

The Little Mix stunna admitted she has a lesbian crush on stunning Australian actress Margot Robbie – and suggested the Hollywood star could even turn her.

Perrie, 22, from South Shields, is enjoying being single after splitting from fiancé Zayn Malik in July after a three-year romance.

And the Geordie scorcher dropped the bombshell that the *Wolf of Wall Street* beauty could be the one to change her persuasion.

### Lesbians

She said: "You get some gorgeous lesbians, don't you?"

"I tell you what, if Margot Robbie was here right now."

"Oh, she's divine. I have a crush on her."

"I must be on the turn because every time I look at her..."

And Perrie seemed to suggest that she might not just be on the lookout for a man after the breakdown of her engagement.

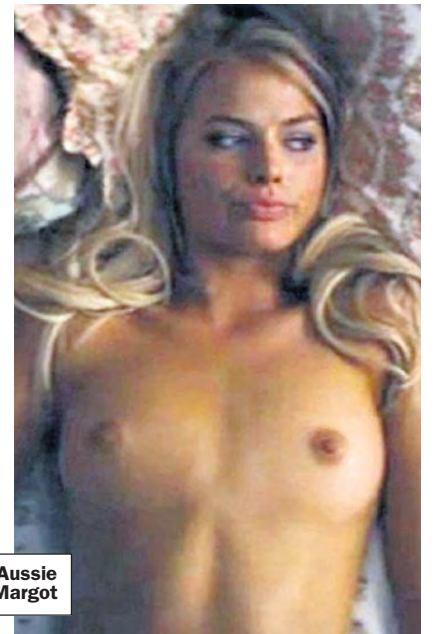

The *Black Magic* singer said: "I'll never find anyone because I just go to gay bars all the time."

"Lesbians do hit on me sometimes. But I find it a compliment when a girl finds you attractive... it means you must be doing something right!"

Perrie has also been linked to *The Only Way Is Essex* star Joey Essex after ex One Direction star Zayn reportedly dumped her by text in the summer.

### MICHELIN DEFLATES

TYRE firm Michelin is to close its factory in Ballymena, Northern Ireland, at a cost of 860 jobs – "running down" the plant by mid-2018 as part of a restructure.

## It's not me on Kyle, it's my cheat twin

A MAN went on *The Jeremy Kyle Show* to lock horns with his brother... to STOP him from going on Jeremy Kyle!

John (above) wanted to have it out with identical twin brother Jamie because he keeps appearing as a guest on the show – and he is sick of people mistaking him for his twin.

Jamie has been accused of a multitude of sins on the show, including cheating on his girlfriend.

"I'm ashamed to call him my brother," John told Jeremy.

"I can't go anywhere without people calling me him. I've lost a lot of friends because of him."

The brothers decided there was "no way back" in their relationship and Jeremy called it a day, sending the twins their separate ways.

He added: "Hopefully, they'll never be back."

An update from the show's official Twitter account read: "Jamie and John are still adamant they will never speak to each other again."

## Chicken drumstick fight's deadly end

A FIGHT over a piece of chicken dinner has left one man dead – and another man charged with his murder.

Police say five men were drinking and eating together in an apartment when a row broke out over who should have the last drumstick.

Reinaldo Cardoso Rivera, 38, reportedly became angry when Darwin Perez Gonzalez, 34, took the final piece.

The bust-up escalated into a fist fight in the parking lot, where Rivera allegedly stabbed Gonzalez and took off with a knife.

Gonzalez died at the scene in Houston, Texas. Rivera later returned and admitted to cops he stabbed Gonzalez.

Officers say they recovered a kitchen knife in Rivera's possession.

Rivera has been charged with murder.

# STEVE COOGAN BABE TOPLESS

# Alpha bappers!

By JACK MOTTERSHEAD

jack@sundaysport.co.uk

**THESE** are the boobs that now greet Alpha Papa star Steve Coogan every night when he gets home.

Daisy Lewis has appeared in a string of shows including *Doctor Who* and *The Lady Vanishes* but has more recently become a household face on *Downton Abbey*.

The 30-year-old played a sexy love interest during the fourth and fifth series on the Sunday night period drama, and it would seem her on-screen performances caught the eye of the impressed Alan Partridge comedian.

## Ample

Before she was getting busy with the 50-year-old comic, the busty brunette was already showing off her ample assets elsewhere – she flashed the flesh as the star of the 2011 medieval drama *Borgia*.

The couple have kept their relationship very quiet over the past couple of months but have now started to appear in public on a more regular basis.

They made their first red carpet appearance together at the UNICEF Halloween Ball last week. Living up to their new coupled status as they dressed as legendary 1930s outlaws Bonnie and Clyde for the star-studded fancy dress party.

An onlooker at the event said: "They are the perfect pair. Steve and Daisy looked very happy, too!"

**SHE'S BRITAIN'S ONLY TOPLESS COLUMNIST**

● IF the Russian plane crash was caused by terrorists, it's a shocking act of mass murder.

It is terrible when something like this happens – especially somewhere like Sharm el-Sheikh which is so popular with tourists.

It is only two years since I was there myself. I saw a really sad photo in the papers of an entire family with three young kids who were on the plane after celebrating their 10th wedding

anniversary there. My heart goes out to all of the families of the victims.

I would be really shocked that someone had managed to smuggle a bomb onto the plane.

When we were there the airport staff and police were scanning and opening up literally everyone's luggage – they were taking all sorts out of our cases so I'd be surprised if anyone had managed to get through with a device... but only time will tell.

STARS: Monica and Daniel

● I FINALLY got to see the new James Bond film *Spectre* this week and I was blown away by it.

It was brilliant and I loved how they brought back all the old school baddies! And I thought Daniel Craig was just amazing – he is my favourite 007 actor.

And to be honest even if the film was a load of rubbish I would have still paid to watch him in action – he is such a hunky man!

I thought Monica Bellucci looked gorgeous, too – so sexy in stockings and suspenders, and she's over 50!

I strongly recommend you should all go and see it!

# Show has lost its X Factor!

## WHAT a let-down, Simon Cowell!

I have been absolutely loving this series of *The X Factor* but the first live shows over the weekend left me REALLY disappointed.

I thought it was crap to be honest, and I'm not surprised that more people decided to switch over to *The Antiques Roadshow* on BBC1.

I don't understand what they were thinking, but as I was watching it I just didn't like it at all compared to other years. The theme was really cheesy and the song choices were HORRENDOUS.

Who cares about these old outdated songs, we want to hear current music, not the same old shit we see every year!

● TOM Jones announced this week that he is going to have DNA tests done to find out whether his ancestors were black. He reckons people have said he is just 'passing as white' and folk always assumed he was black when they heard his deep voice and because of his thick, curly hair.

The story caught my eye because it's something I have thought about myself. I have features and genetic characteristics that are more typical of other racial groups so I've always wondered where my ancestors were from.

I've said to family and friends in the past that I think I could have black ancestry – so I'd be really interested to find out.

Maybe I'll do a test one day, too!

Even the group song with all of the contestants at the start was painful to watch.

At first I thought there was something wrong with the sound on my TV – but then I realised it just sounded terrible.

I did agree with who was booted off though. I can't stand Bupsi Brown – what an annoying woman. Her voice went through me.

And Alien Uncovered just gave me a headache with all of their jazzy coloured outfits and dance routines.

I don't know what happened with them, I thought they were really good from the start but maybe they were just not right for the show.

I'm hoping next week will be an improvement but I think Simon needs to take a look at the panel and ask himself why Nick Grimshaw is sat there.

Just because he works in radio and presses a few buttons every morning, that doesn't mean he knows what he is doing.

Just the sound of his voice does my head in – he reminds me of Lily Savage. I absolutely love Rita Ora though – she's great and I think she's exactly what the show needs.

If you ask me Simon should bring Louis back and give Nick the boot.

AXED: Bupsi

● MY nan turns an impressive 95 today so I just want to wish her a very happy birthday! I won't get to celebrate with her in person because she lives up north but I know she will be reading this – so happy birthday, Grandma Williams!

She is a regular reader and even has the *Sport* delivered to her house. She keeps up to speed with what I'm getting up to by reading my weekly column, so I know she'll see this.

My nan is a very strong lady and still lives at home on her own. Keep going strong Grandma, we all want you to get your special telegram from the Queen when you reach 100!

● I HAD such a busy weekend working on the webcam. I got loads of invitations to go to Halloween parties on Saturday, but I'm so glad I turned them all down, because it was the busiest night I have had on cam in ages!

I had so much fun, it was fantastic. I think all of you naughty, horny guys must have been counting down the minutes until your other halves took the kids out trick or treating!

As soon as the sun went down on Saturday, *Harddrive.xxx* went crazy. I couldn't believe how many of you were logging on. So I want to say thank you to all of my fans, I had an amazing night and was glad I stayed in.

**GLORIOUS Amy Green** shows off her balls skills – as she gets naughty on a golf course.

The 26-year-old stunnA showed off her 32DD birdies as she rolled around on the green in a pair of tartan panties and naughty knee-high stockings.

And if these snaps are anything to go by, the fairway won't be short of a few strokes.

**Randy**

The Sheffield born beauty admitted that when she's not fiddling with her fella's wood, she can be found getting randy at sports events.

She said: "I once did it on top of a motorhome.

"Me and my fella were at a British Superbike event. It was a sweltering hot day, so we just climbed on top.

"Things got a little steamy and we couldn't keep our hands off each other.

"It was such a turn-on, there were so many people there were had to have been spotted, but I didn't care. I was so horny."

## Kiwi Cairns: I NEVER fixed India matches

FORMER New Zealand cricket captain Chris Cairns has repeatedly denied any involvement in match-fixing as he defended himself against accusations of perjury.

Cairns, who played 277 times for his country over 17 years, told a jury there was "no truth" to allegations that he had tried to persuade his team-mate, Lou Vincent, to join in with cheating.

The 45-year-old is charged with perjury and perverting the course of justice.

Asked by his barrister, Orlando Pownall, at Southwark Crown Court in London whether at any stage he was involved in match-fixing, Cairns replied: "No."

Mr Pownall went on: "Did you contemplate match-fixing?"

Cairns again replied that he had not.

The court heard that Cairns signed a three-year contract in 2008 to captain Chandigarh Lions in the Indian Cricket League.

The jury was told by fellow Lions player Mr Vincent that Cairns had ordered him to fix games by deliberately playing badly.

Mr Pownall asked: "Did you at any stage seek to persuade him, successfully or not, to under-perform?"

Cairns replied: "No."

# HOW TO GIVE HER THE BEST ORGASM...EVER!

**ALL blokes know that the female orgasm is the key to any successful relationship.**

And failing to hit the spot in the bedroom can leave your lady with a face like Jose Mourinho after Chelsea's 3-1 defeat to Liverpool at the weekend.

But there is hope – thanks to the *Weekend Sport's* guide to the Big O.

So lock the doors, send the kids to the folks and follow these 10 simple steps.

First of all, go back to the drawing board and 'Do your homework'.

Before you can please your woman, you need to know how to please yourself – this allows for better self-control when things get too steamy.

When you're fully up on what makes you tick, it's time to set the mood.

It's not a secret that women love romance, so 'Get in the zone', switch off your phone, dim the lights and light a few candles.

### Massage

Heat your woman up with a saucy shower together, give her a massage and even watch some porn together.

And stop worrying – it will only kill the mood and may lead to a failure to launch the situation. Relax.

Next, make her feel good and 'make some noise' – tell your girl she looks sexy, and talk dirty – silence isn't sexy.

And once she's well and truly in the mood, climb on the hobby horse, but take things

easy, don't rush, and don't focus on her orgasm. It's not a competition. If you make her feel good, she WILL climax.

And 'communicate' – ask her what she wants and give it to her!

She'd rather you ask than guess and get it wrong.

But just as important as hitting the right spot, is 'Knowing when to back off', there's nothing wrong with a long ride. Slow down, mix it up.

Once things are really heating up, 'Free Your Mind', stop thinking about whether she's enjoying it and do what feels right.

But don't be afraid to 'Take Control', woman love being dominated. When you feel she's close go for it, talk dirty.

Follow these ball blowing rules and you're guaranteed to have the best sex of your life.

**King's 'secret' wife wins £15m and 2 homes!**

A WOMAN who says she is the "secret wife" of the late King Fahd of Saudi Arabia has won her claim at the High Court in London for a multimillion-pound payout to honour a promise she would be looked after "for the rest of my life".

A judge ruled that Palestinian-born Janan Harb, 68, was entitled to more than £15 million plus the value of two top London properties.

The judge ruled "credible" her claim to a payout after Miss Harb told the court she had secretly married the king in 1968, when she was 19, and he was still a prince and his country's minister of the interior.

Ms Harb said Prince Abdul Aziz – son of another wife of the king – met her at the Dorchester Hotel in London on June 20, 2003, when the king was seriously ill.

In the early hours of the morning he agreed to pay her £12m and transfer back to her two flats in Chelsea to keep his dad's promise of lifelong support.

Ms Harb said: "I am very happy with British justice."

# THIS SUNDAY IN POP BABES SHOW US THEIR UNDIES

## SUNDAY Sport

**Fannies are so magical, says Jessica**

HOLLYWOOD hottie Jessica Biel says she has a **MAGICAL FANNY** – but it's not to be trusted!

The actress, 33, has launched a series of online videos to teach women sex education.

And she promoted the project by giving a wacky lowdown on love-tunnels.

Jessica (above), who's married to pop hunk Justin Timberlake, said: "We could go with the line vaginas are magical things. I like that."

"Or go with the line that vaginas are weird and scary and bleed for seven days, so they shouldn't be trusted."

Jessica's funny fanny remarks come after she admitted she knew very little about pregnancy before having Silas Randall in April.

Talking about the time she decided to try to get in the family way, she recalled:

"Now what happens? I've been on the Pill for so long, how hard will it be to get pregnant?"

"Suddenly I realised I really didn't know what's going on inside my own body. It was shocking."

## Big-boobed babes catch Eva's eye!

KINKY Eva Mendes revealed she gets hot and horny by the thought of curvy WOMAN.

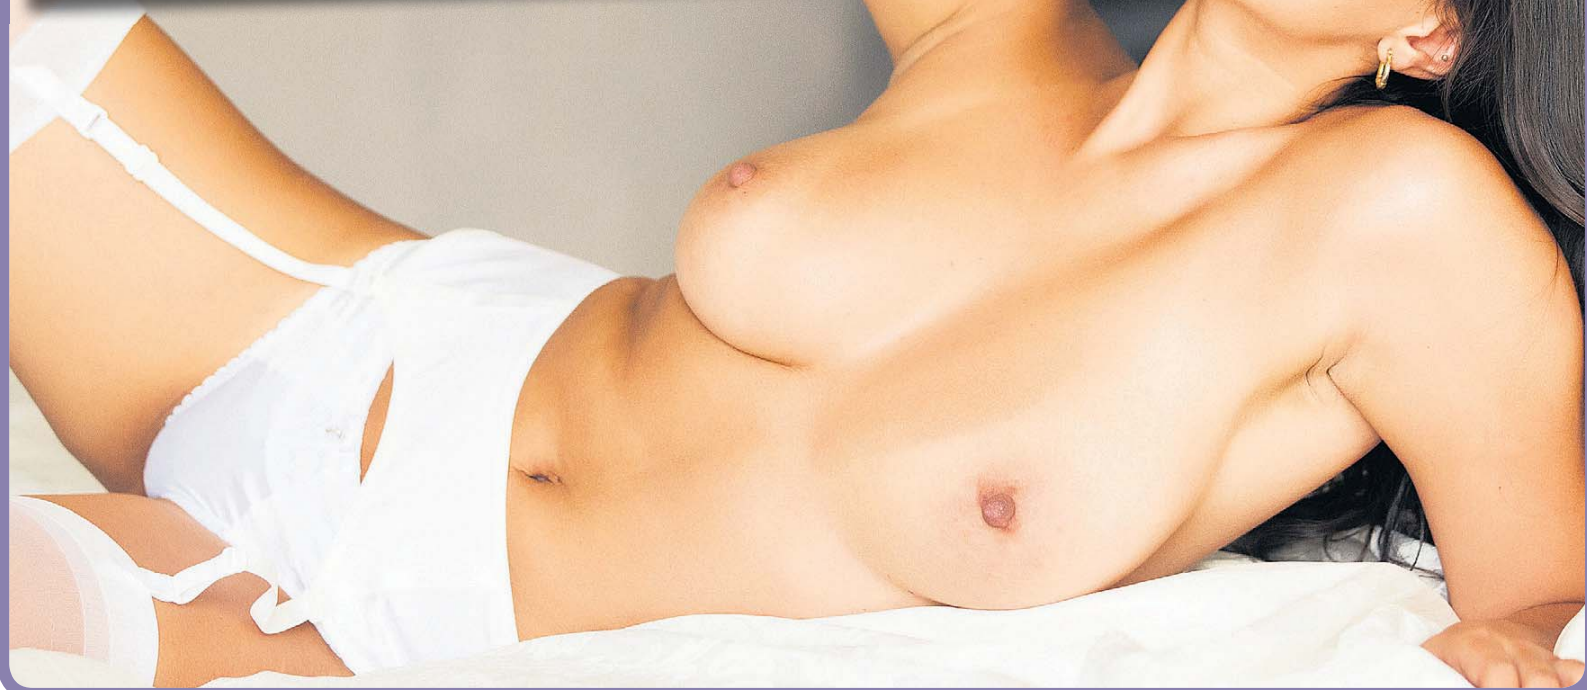

The 41-year-old star may be happy with A-list star Ryan Gosling, but the saucy brunette (*above*) admitted her pre-fame crushes were all big-boobed LADIES.

Eva said: "When I was around 18 years old, I first started to become aware of foreign films – I would go to video stores and find myself drawn to the covers of certain things."

"I didn't realise it at the time, but I was attracted to certain Italian actresses like Claudia Cardinale, Gina Lollobrigida and Sophia Loren."

Eva and Ryan met on the set of their drama *The Place Beyond the Pines* and began dating in 2011.

Last year it was reported that the couple regularly row – because she can't get enough SEX.

# PLOONKERS!

## Killjoys ban on cheeky wine ad

AN advert showing a woman with a glass of wine in front of her crotch saying "you can almost taste the bush" has been banned for being offensive and treating women as sex objects.

The ad, which appeared in an online YouTube video and Twitter campaign for Australian winemakers Premier Estates Wine, stars a brunette model singing the praises of the wine.

She is shown with a glass of red wine, saying: "Take this exquisite Aussie shiraz...a mere £5.99 a bottle" and then taking a sip and adding: "Mmm, luscious, earthy, bursting with fruit and spice."

She then places the glass on a table in front of her crotch and says: "Australia practically jumps out of the glass – in fact, some say you can almost taste the bush."

The Twitter campaign also showed the same woman in a cropped photo showing just her lower body with the glass of red wine in front of her crotch with text reading: "I want to #TasteTheBush".

By STIAN ALEXANDER  
news@sundaysport.co.uk

Wine Australia – who promote Aussie wines abroad – joined others who complained the ads were offensive, sexist and degrading towards women.

Advertising Standards Authority bosses agreed and banned the ads for making an obvious reference to oral sex.

It said: "We considered that consumers would understand the claim #TasteTheBush...when accompanied with an image of a woman stood

behind a wine glass, which emphasised her crotch, to be a double entendre referring to both Australian red wine, and female genitalia and oral sex.

"The ads must not appear again in their current form."

Premier Estates Wine stated the campaign was intended to be playful and tongue-in-cheek.

# Gracie LEWIS

**GORGEOUS** Gracie Lewis loves to dress to impress – after she revealed that her saucy underwear always leads to some X-rated nookie.

The 27-year-old opened up on her fetish for sexy attire after she admitted that she always gets her own way once she's stripped to one of her thongs.

Here she is getting steamy in her favourite leopard-print bikini – and with a body like hers, it's easy to see why the top-heavy brunette gets so much attention.

She said: "Dressing up in something really sexy makes me feel so good and the better I feel, the better the sex is."

"I have this really amazing set of black

By JACK MOTTERSHEAD [jack@sundaysport.co.uk](mailto:jack@sundaysport.co.uk)

lingerie and it absolutely drives guys wild when they see me in it."

If you like what you're seeing so far then any hopeful lads out there best be prepared to put a ring on it as the Manchester stunna revealed she's getting ready to think about settling down.

And if you needed anymore persuasion, the 32E scorcher also announced that she's saving her anal cherry for when she's married.

She explained: "It's out of bounds till I'm married. So my future hubby has got that to look forward to."

"When I've settled down with the right person, I'd love to try it."

# Randy babes shag more men than ever before!

By **WENDY THOMAS**  
news@sundaysport.co.uk

**WOMEN sleep with more blokes in their lifetime now than ever in history – a saucy new study has shown.**

Scientists have found that the number of ladies jumping on the hobby horse has DOUBLED in the last 20 years.

Figures released by University College London show horny women bed an average of eight guys nowadays, compared to just four in the 1990s.

But male readers will be happy to know that men still have the edge in the bonking stakes, dipping their wick in 12 ladies during their lives.

The stats show, though, that the figure is down on 10 years ago, when guys slept with an average of 13 ladies.

Professor Kaye Wellings, of the London School of Hygiene and Tropical Medicine, said: "We can see that the pace of change has been different for men and for women in the last decades. The gap previously seen between them has been closing."

## Partners

"For some aspects of sexual behaviour, for example numbers of partners it has narrowed, for others, such as age at first sex, it has closed. And yet in other respects, such as same-sex experience, women have overtaken men."

The poll also found that people are now having sex less frequently than they were 10 years ago due to busy working lives.

On average both men and women have sex just three times a month compared to five in the 1990s – and iPads and smartphones are to blame.

Gorgeous Jane Flowers, 20, from Colchester, said: "Nothing gets between me and a good seeing-to."

"If my fella has his head in a tablet computer or he's on his phone, a good flash of my tits usually gives him the message that it's time to turn it off and turn me on."

"And if he doesn't there are plenty more fish in the sea."

The study asked 15,000 British adults aged between 16 and 44.

**MY SEX FANTASY WITH SÖPHIE PARKER**

**SIZZLING** Sophie Parker admits she's a greedy girl when it comes to bonking – and says one man is never enough!

The Babestation presenter confesses her wildest sexual fantasy is taking part in an ORGY in a kinky sex club.

The 30G stunna says she'd get a thrill from feeling multiple hands all over her banging body.

Sophie, 26, from Birmingham, said: "I've been to a sex club before and it was so exciting!

"I only watched that time – it was so hot to see people go wild and get naughty with

each other. It was like real live porn. Now I've had a taste of it I'd love to go to a club and really lose my inhibitions and experience a full-on orgy.

"It would be insanely hot to lose count of how many hands are all over my body, hitting all the right spots and getting me all wet!

"Lots of body oil all over me would make it all so slippery and deliciously sensual!

"I'd lie back while a stranger's tongue – perhaps a hot blonde woman – started to

explore me until I was so close to coming.

"I love the curves of a sexy girl – big boobs, juicy bum and long legs.

"I'd return the favour and pleasure her back, while all the men rub their hands on us, keen to join in.

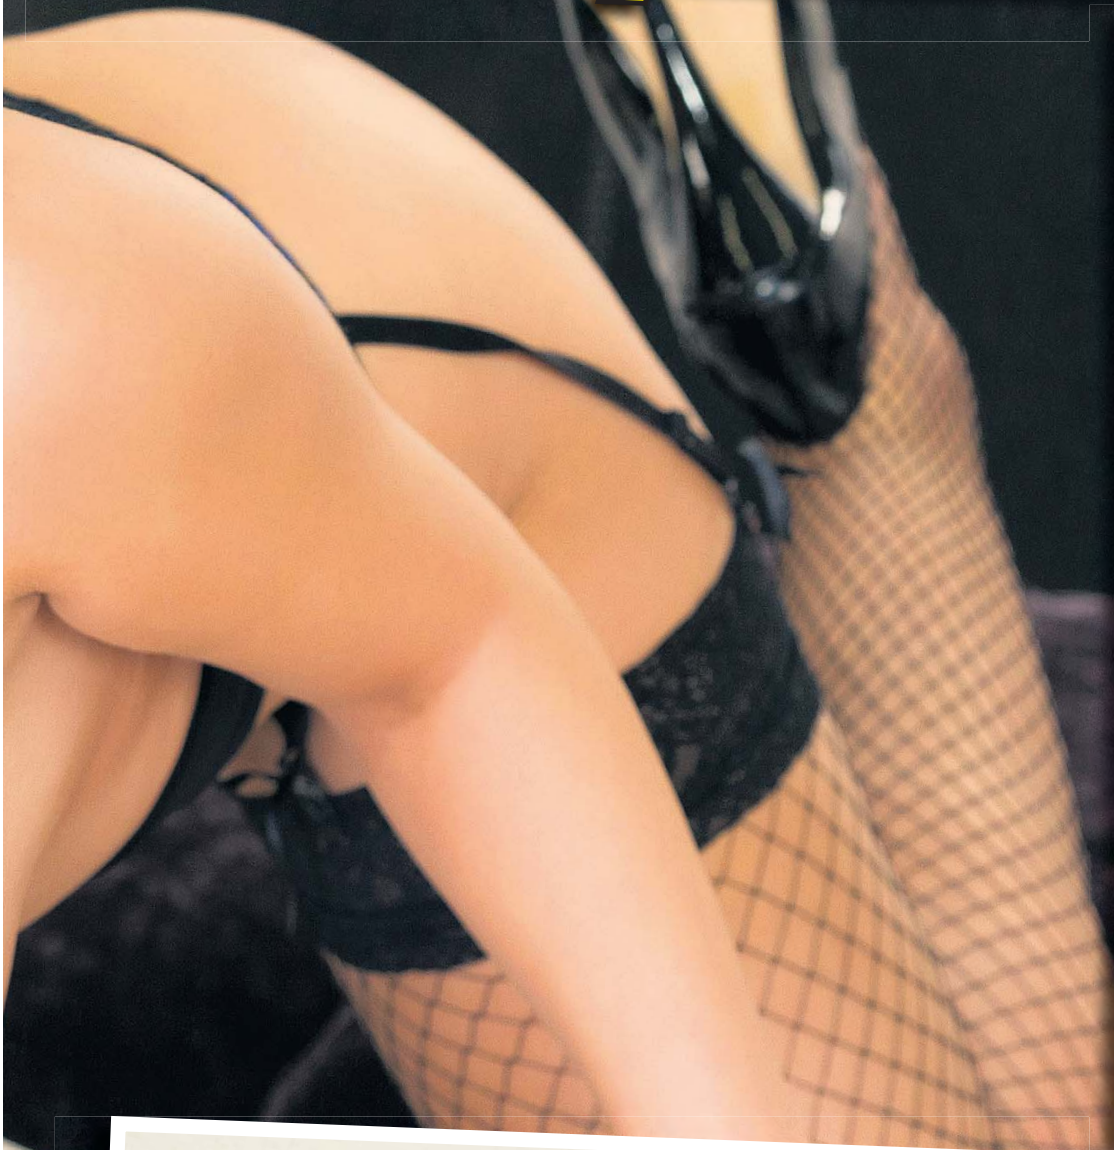

"Then I'd love for one of the men to take over and finish the job by giving me a good pounding!

"It would be incredibly arousing to allow myself to get carried away and get it on with as many sexy guys and girls that took my fancy.

"There's something just so naughty and completely animalistic about group sex – it's definitely on my bucket list!"

# An orgy is definitely on my bucket list!

## Hubby's mate is using me for sex

Dear Morgan,

I'M a 26-year-old married woman in urgent need of advice.

I've found myself in a truly awful predicament and I can see no way to get back to a normal life. It all started a couple of months ago when I had a brief fling with a lad at work.

He was only 19 but he kept flirting with me and one day I took him in to the stockroom to see what he was made of.

Things got a bit out of hand and I ended up giving him a messy blowjob.

Unfortunately, the line manager caught us at it and we both got a reprimand and told we were lucky not to get the sack.

Within days it got all around the works about what we had been up to and I was terrified that my husband would find out.

Luckily he didn't. However, I was very sadly

mistaken in thinking that it might be the end of the matter.

Unknown to me, one of the firm's van drivers is a friend of my husband's best mate and told him the full story.

I'd always suspected that his pal fancied me and a few days later I found out how true that was.

### Horny

What happened was the lad from the stockroom asked me to go for a ride in his campervan after work. I was still pretty keen on him so I said OK.

We drove to a quiet spot in the country and we got in the back to do the business when I was shocked to hear voices.

I looked up to see my hubby's mate standing outside grinning. There was with another man with him and it was clear what it was they wanted.

I was shocked at first but I was feeling very horny and I thought "what the hell?" and soon I was shagging all three of them.

I sucked all their cocks and they each f\*\*ked me hard and long in a variety of different positions with their fat pricks always stiff and eager for my attentions.

We were at it for three hours, after which my pussy was aching and I was covered in their creamy spunk. But I have to admit I'd never felt so satisfied.

It was brilliant and I was enormously turned on at being so naughty.

Later on, though, I felt guilty.

Now my husband's mate wants us to repeat the sex session and has threatened to tell my hubby if I refuse.

What can I do?

DL, South Tyneside

Morgan says...

IT'S a bit late to start feeling guilty after what you've been up to. But if you believe he would go ahead with his threat, then you must get in ahead of him and tell your husband what you did. If you can't do that, then I'm afraid you're trapped.

because he looked up. But instead of being embarrassed he held my gaze.

As if in a dream I went into the room, sat on the bed and grabbed his manhood.

There were no words spoken as I slowly bent over and took the tip of his magnificent member between my lips.

He gently pressed me down until I had taken half his length in my throat.

As his balls began to tighten I eased up, slipped off my dressing gown and lay down naked next to him.

He pulled me on top of him and sucked on my nipples as his hands explored my moist pussy.

He parted my love-lips and gently inserted two fingers while rubbing my clit with his thumb.

After a few minutes I was on the edge of orgasm so I reached down, grabbed his huge knob and guided it into me.

There was still not a word said as I rode him until he finally emptied his juice deep inside me.

I dressed and left him there and even when he eventually came down we said nothing about it.

Now he waits deliberately until my husband has gone to work and lies in his room until I go to him.

Do you think I am just using him?

BS, North London

Morgan says...

YES, but I shouldn't think he's complaining about it!

Letter of the day

Dear Morgan,

I'M an 18-year-old student and me and my mate organised a house party when my parents were away the other week.

We made sure there were at least three girls there for every bloke. After an hour I took a blonde stunna to one of the bedrooms.

After giving her a quick licking I turned her over and shagged her doggy-style. After I'd shot my load inside her went for a quick pee.

And I couldn't believe it when I got back from the bog to find my mate up to his nads in the same girl.

I was too horny to get angry so I just stuck my cock in her mouth and she seemed happy to suck me off as my mate carried on giving her a good seeing-to.

We then managed to get both our dicks in her pussy at the same time.

The problem is, after we'd finished I could not help but feel my mate had taken a bit of a liberty. What do you think?

NP, Lancs

Morgan says...

WHAT are you moaning about? Sounds like you all had a great party.

Dear Morgan,

I RECENTLY found out my fiancée had been shagging a bloke who lives next door and I threw her out.

As I was sorting out her stuff I found a large, stuffed donkey she'd bought in Blackpool, so I thought I'd give her a special leaving present.

I made a hole in its arse and began shagging it with the intent of filling it with my love-juice before handing it over.

I wasn't quite finished when her mother walked in. Apparently she was calling to try to talk me into taking her daughter back.

But after seeing me up to my nuts in fur and foam, she started screaming and telling me to keep away from her family.

The thing is, I miss my fiancée terribly and I want her back. But I don't think her mum would be too happy if I went to see her.

What should I do?

JP, Liverpool

Morgan says...

YOU'LL have to do plenty of donkey work to try to win her mum over - then you may have a chance.

Dear Morgan,

MY hubby and I have been struggling to make ends meet so we decided to raise extra cash by taking in a lodger.

We placed an advert in the local paper and in no time a working man with good references turned up and we agreed to let our spare bedroom to him.

The bloke was fairly quiet and everything went well until one morning after my husband had gone to work and the lodger was having a lie-in on his day off.

I passed his bedroom on the way to the bathroom and saw him lying naked on his bed with his big cock in his hand.

I was transfixed and must have let the door swing open a bit more

because he looked up. But instead of being embarrassed he held my gaze.

As if in a dream I went into the room, sat on the bed and grabbed his manhood.

There were no words spoken as I slowly bent over and took the tip of his magnificent member between my lips.

He gently pressed me down until I had taken half his length in my throat.

As his balls began to tighten I eased up, slipped off my dressing gown and lay down naked next to him.

He pulled me on top of him and sucked on my nipples as his hands explored my moist pussy.

He parted my love-lips and gently inserted two fingers while rubbing my clit with his thumb.

After a few minutes I was on the edge of orgasm so I reached down, grabbed his huge knob and guided it into me.

There was still not a word said as I rode him until he finally emptied his juice deep inside me.

I dressed and left him there and even when he eventually came down we said nothing about it.

Now he waits deliberately until my husband has gone to work and lies in his room until I go to him.

Do you think I am just using him?

BS, North London

Morgan says...

YES, but I shouldn't think he's complaining about it!

**ASHLEIGH DOWNES**

JONJOE McManus, 24, has got in touch asking for when Ashleigh Downes is next going to appear.

The Mancunian builder told us he goes absolutely crazy over the 28-year-old.

He said: "Ashleigh is the one of the hottest girls around, please put her back in for me. It would honestly make my day."

Glad to, fella. Here's another saucy snap of the busty scouser and her gigantic 32G bongos.

**JODIE ORAM**

WILLIAM Mathews, 33, is clearly a man with fine taste after he messaged in requesting a print of the Swindon-born scorcher Jodie Oram.

The chef, from Cambridge, admitted that the 30-year-old really gets him hot under the collar and would love to see more of her.

He said: "Brunettes are usually more my type, but Jodie Oram is an exception. I can't get enough of her."

Here is a picture for you and everyone else who's a fan of her whopping 34D melons.

**JESS WEST**

AFTER several requests we've finally got round to granting Ellis Hall's wish to get 27-year-old Jess West back in the paper.

The teacher, from Kent, has long had the hots for the 34C scorcher – ever since she first graced the pages of the *Sport*.

But the Rochester-born beauty has showed up less often in more recent times, meaning it's a great chance to please her adoring fans with another glimpse at her pert pair.

Ellis, 47 said: "Can you guys finally bring Jess back please? It's been ages since she last appeared."

"She's stupidly – hot and totally smashes that sexy girl-next-door look."

# Thrill ride sex is driving us wild!

## KINKY Brits love to get revved up – with a bit of racy action behind the wheel.

A shock survey has revealed that one in seven of us has taken part in some high-speed sex while driving a car.

The figures are part of a national study which aimed to shed some light on the growing increase of traffic accidents.

Among other explicit findings, the study determined that with age does come experience, as older

drivers were most likely to confess to the outrageous act – more than 60 per cent of those who made the saucy admission were between the ages of 30 and 59.

According to the OSV review, 30 per cent were between the age of 18-29 but only 10 per cent of those

owning up were over the age of 60.

The study also found that men were more likely to indulge their sex drive, with over 60 per cent of confessions coming from males.

### Risky

Other risky activities while driving included checking social media (10 per cent) and taking a

selfie (four per cent). And a hilarious two per cent of the population even admitted that they had driven stark NAKED at least once.

Co-founder of the review, Debbie Kirkley, discussed how the survey aimed to help lift the lid on what people get up to when driving.

She said: "It is deeply worrying

that so many people admit to taking part in these dangerous activities. It shows that more needs to be done to help highlight and educate people about the dangers that come with participating in these activities.

"Engaging in sexual activities should be the last thing that people do whilst behind the wheel."

**Vicky Dunn says...**

AS long as it wasn't while speeding down a motorway I don't see what's wrong with a couple having a quick fumble well of the beaten track. I've never done it in a moving car before but I think that this could definitely be something naughty to try.

**Sara Knight says...**

I'M all one for mixing things up a bit, but even I think that this is a step too far. Maybe if it was at night somewhere really quiet then perhaps I could be persuaded but I'd be far too scared of someone catching me!

# Joanna Jenson says...

DOING it in the back of a car is mind-blowing, but not while you're driving along! How can anyone pay attention to the job in hand, never mind what's going on with the traffic all around you. I'd rather pull over somewhere and do the job right and not risk my neck... and others'

# RYDER

**SEXY** Katie Ryder revealed she often goes knickerless at her birthday parties – because she loves to celebrate with a bit of bum fun.

The 23-year-old brunette says no candle-blowing do is fully complete without her getting her back door smashed in.

By ANN COATES [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

And the Preston-born beauty admitted she always makes sure her fella has easy access with a pantyless outfit.

Here she is showing off her 30G palm-stretchers in a pair of tiny knix she wouldn't bother with at parties.

She revealed: "I don't mind a bit of back door action. I like to keep it for special occasions – like birthdays and

Christmas. If you use lots of lube you're good to go. I've got a busy few weeks coming up.

"If you wear a tight dress to a party you don't want your panty line showing. And you want to offer easy access."

When she performs oral, Katie says she always makes sure she does it properly, adding: "I swallow every time. I like to finish the job and anything else would be incredibly rude!"

ORAL sex is one of the best types of sex. Performed properly it is the supreme discipline in lovemaking, which means much more than simply "giving head". The right combination of different techniques, tongue movements and exercise will lead your partner to experience sexual ecstasy and ultimate lust. **The Ultimate Blowjob** shows you in detail what is needed to perform a perfect "blow job".

Score is generally a sign of quality when it comes to big tit action. On **Big Tit A List Hardcut 2** the girls are super slim and extra stacked, and love having their pussies banged front to back, and side to side. And if you're nice, they'll even let you inside of their vice-tight bumholes, too!

## TIME FOR CHELSEA TO STAND AND FIGHT

### CHELSEA v DYNAMO KIEV

★ JOSE Mourinho is the best club manager in the world but it's time for him to shut up whingeing and earn his money.

Chelsea have only one problem and it's a big one — they lack confidence. Roman Abramovich may have plenty of money but you simply can't buy confidence, the only way you can get it is by winning football matches. Tonight Jose must use all his experience and tactical know how to ensure the Blues win this match.

Kiev are no great shakes in the Champions League with only five victories from 33 group encounters.

Only one of those victories came away from Ukraine and that was against Maccabi.

Chelsea have crashed out the League Cup, blown their defence of the Premier League title but are still in with an excellent chance of progressing in this competition.

They sit one point behind tonight's opponents who are second and a victory will put them in the driving seat for qualification.

The Chelsea players must deliver for their manager because if they crashed out of this competition it could be the straw that breaks the camels back and Abramovich could sack under fire Mourinho.

I don't envisage that happening because I've got great faith in Mourinho you don't become the greatest overnight and I expect him to stop the rot sooner rather than later.

The bookies are being extremely generous offering 4/5 and my advice is snap their hands off at this incredible price.

If you want something bigger look at the 9/5 Chelsea to win HT and FT.

### DIN MINSK v VILLARREAL

★ Minsk have played three and lost three in the group stages of the

Europa League, what's even more worrying for their fans is they have yet to find the net.

No team has reached the conclusion of the group stages without scoring a goal but Minsk could well become the first. They have offered very little in their three games conceding seven goals. Four of those goals came against tonight's opponents.

Villarreal started their campaign off slowly losing 2-1 away at Rapid Wien but since then they have started to fire winning their next two.

They sit second in Group E three points off the leaders Rapid Wien. One stat that stands out for me is Villarreal scored at least one goal in their 12 European matches last season.

So it is a pretty safe bet that they will score and Minsk struggle to find the net so I'm surprised to see them chalked up at 4/6. If you want something bigger look at Spurs 26 million pound flop Soldado (he's a hit at Villarreal) to score and Villarreal to win at 15/8.

### RUBIN KAZAN v LIVERPOOL

★ Klopp's red army are a different team these days and you can see the confidence flowing through them.

They went 1-0 down away at Chelsea at the weekend but came back magnificently to win it 3-1. Under Klopp (above) they remain unbeaten and you get the feeling good times are about to roll at Anfield.

Liverpool must rise to the occasion though because Rubin are unbeaten in three previous home games against English opposition. The

Reds need a win as they've drawn their three previous group games.

It's 3,300 km for the Liverpool faithful to travel to the game but I'm predicting they will ensure we hear You'll Never Walk Alone over a noisy partizan home crowd.

11/10 the bookies go about a Liverpool victory and that's good enough to tempt me in even though they've lost their last two out in Russia without even scoring a goal.

This is a new era though this is the Klopp era and Liverpool are set to welcome the good times once more.

### DONKEY OF THE WEEK

★ Just who had me going eeyore this weekend; Seb Coates had an awful game, Sylvain Distin was woeful in defence, Bastian Schweinsteiger looked over the hill, John Ruddy let his team down badly, Joe Hart dropped a clanger but got away with it and Lucas Fabianski looked like he had stage fright.

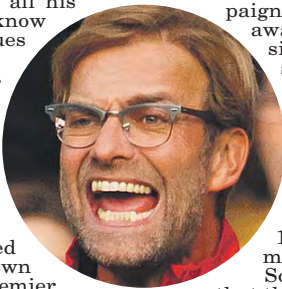

They all had bad games but one man stood out like a sore thumb and that was Andy Carroll (left). To sum up his performance I'd say he was a liability in his own area and ineffective in front of goal. He was at fault for Watford's opener and never looked like making amends up the other end.

Don't take my word for it this is what you think

@WHUFC\_News: He's an impact sub and nothing more.... #Carroll  
@sharonkeen8: #carroll comical defending  
@tigerkj64: You absolute clown Carroll!!

@jimmycatton: If there are no Hammer Horror headlines in the papers tomorrow, someone's not doing their job.. #carroll  
Don't you worry Jimmy I am on the ball but you had to wait till midweek!

**CRICKET: PAKISTAN v ENGLAND THIRD TEST ACTION**

# FIGHT LIKE LIONS

## England can still silence Pakistan

**ENGLAND have a fighting chance of winning the third and final Test after an up-and-down day.**

The main event came out of the blue when Pakistan batsman Shoaib Malik announced his retirement from the five-day game.

Out in the middle, England failed to build a convincing lead and were bowled out for 306.

Pakistan were cruising in their reply and clocked up a century opening stand between Mohammad Hafeez and Azhar Ali that took apart the 'Three Lions' lead of 72.

But Alistair Cook's men fought back in the closing overs to take three wickets, leaving the hosts on 146-3, 74 ahead.

James Taylor added just two more runs to his overnight total before being dismissed for 76.

He knows just how big a task England face to square the series.

### Farcical

The mini middle-order man said: "They're playing well at the moment, but we can't look too far ahead. If we can get some early breakthroughs in the morning, you never know."

"These tracks aid the spinners, but I'm enjoying my cricket more than I've ever enjoyed — I'm enjoying playing cricket for my country and getting a few runs."

There were farcical scenes as the injured Ben Stokes was forced to come out and bat, despite having a knackered collarbone.

He wasn't able to stick around for long as England disappointed with the bet.

It was feared that Stokes would be out for months after going over on day one. But the big all-rounder should be fine for most, if not all, of the South Africa tour.

An England statement said: "Imaging confirms Stokes has a collar bone joint injury."

"It has already been decided he

RETIRING: Shoaib Malik

will be unable to bowl or field for the remainder of this Test match but if circumstances dictate he may bat.

"His injury will be reviewed in 7-10 days once it has had a chance to settle. A decision about his return to play will be taken at this time."

England had Samit Patel to thank for having any kind of lead.

He showed his liking for spin bowling in clocking up his 42 runs and it took an absolute cracker from Yasir Shah to dismiss him.

It wasn't quite as good as Shane Warne's "miracle ball" to Mike Gatting but it wasn't a million miles away and there was nothing the Nottinghamshire man could do about it.

James Anderson and Stuart Broad toiled manfully and their two late wickets, along with the run-out of Ali, have given England a chance. But they wouldn't want to chase more than 200 on this turning track.

OUCH: Ben Stokes had to bat with a collarbone injury

DEAL: Mark Waller

## Twickers to host grid iron

### AMERICAN FOOTBALL

TWICKENHAM will stage three NFL fixtures as the game continues to boom in Britain.

The home of rugby union also has the option of staging two more games over the deal's three-year period.

The first will be next October.

And there are more games coming to Wembley too. The agreement has been extended so there will be a minimum of two games per season for the next five years.

There is already a deal in place for NFL games to take place at Spurs' new ground when that's finished in 2018.

So there will be at least five American football games in the capital that year.

NFL international chief Mark Waller said: "We are committed to continuing to grow our sport in the UK and believe that adding Twickenham Stadium to our roster of host venues in London is further evidence of that commitment."

"We are very excited to give our fans the opportunity to enjoy NFL action at another world-class venue famous for attracting loyal and passionate fans from across the globe."

Games have been held at Wembley for the past eight years, with the most recent ending in a 45-10 victory for the Kansas City Chiefs over the Detroit Lions last weekend.

They have always been a big hit, with sell-out crowds, and there are still rumours of an NFL team basing themselves permanently in London.

# LEEDS SAY PLAY IT AGAIN SAM

LEEDS TARGET: Burgess

LEEDS Rhinos want to rescue Sam Burgess from his rugby union hell.

The Super League champions are keen to sign the 26-year-old Yorkshireman from Bath.

Burgess came in for lots of stick as England crashed out of the Rugby Union World Cup at the Pool stage.

And there have been whispers about him wanting to return to the game where he made his name.

He even took a break from training with his 15-man club to get his head right.

And with the Rhinos making it known publicly that there's a home for him at Headingley, that

### RUGBY LEAGUE

could spell the end of his time down south.

There is also the option of him returning to Australia, where he was a big hit with the South Sydney Roosters. But Burgess knows that Rhinos coach Brian McDermott would love to have him in his squad next season.

Leeds chief executive Paul Hetherington said: "Certainly, we'd be interested if he became available."

"Clearly South Sydney would be favourites but if that proves difficult, certainly for 2016, we would be keen and we've made that known to Bath. Sam is

aware of that interest from the club as well.

"We have a watching brief on it, as I would imagine would most Super League clubs."

"I think it would be a terrific boost for the Super League competition if any club could bring him into Super League."

### Marquee

Burgess has another two years to go on his lucrative contract with Bath and it would be difficult to match his wages back in the 13-man game where there is a salary cap and a lower national profile.

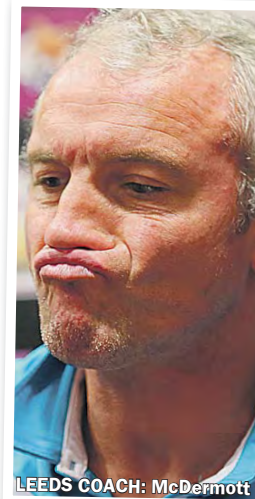

But new rules now allow Super

League clubs to break the bank for a "marquee" player and the Rhinos would be prepared to offer an amazing deal to get their man.

But Bath would also want a considerable sum to rip up Burgess's contract and have included him in their squad for the European Champions Cup.

Hetherington added: "We've had a record year on and off the field and we would certainly be prepared to pay a transfer fee."

"I've always said Leeds would not use the marquee player rule unless it was something exceptional and Burgess certainly comes into that category."

WITH HIS SPORTING ODDS AND ENDS

## Gunners need to be on their Guard!

PEP TALK: Guardiola will have his Munich men fired up

### IT'S a massive night of Champions League action for the two London sides.

Arsenal are 2/5 NOT to make it out of the Group stages ahead of their trip to Munich to face a Bayern side likely to be still smarting from last month's defeat at the Emirates.

The Bundesliga champions are 2/5 to keep all three points with the draw 9/2 and the Gunners 13/2 to gain a quick and famous double over Bayern.

Arsenal are 7/4 to qualify for the last 16 but will they be left rueing earlier defeats at the hands of Dinamo Zagreb and Olympiakos?

They are 25/1 to win their first Champions League in Milan at the end of May; they need a result and in the double chance market they are 21/10 to draw or win in Bavaria.

Chelsea have gone 20 Champions League games at Stamford Bridge since they last drew a blank and they are 8/11 at BetVictor to take all three points

### PEP'S 2/5 BAYERN HARD TO BEAT

from tonight's visit of Dynamo Kiev who are 17/4 with a draw at 29/10.

The Blues are 6/4 to win the Group ahead of the visit of the Ukrainians and they will leapfrog them with a much-needed win.

Eden Hazard struck a post in the reverse fixture last month and is 13/2 to grab the opening goal and 85/40 to find the back of the net at anytime. It is surely only a matter of time before last season's Player of the Year recaptures his best form and let's hope tonight's evening.

Jose Mourinho's side have kept a clean sheet in two of their last three CL games and are 9/5 to win to nil this evening.

Kiev are yet to win in England in the CL losing seven

of their eight games on English soil so it would be wrong to suggest they are the best of travellers, although in Andriy Yarmolenko they have a quality player who destroyed Everton, albeit in Kiev, in the Europa League last term.

★ Only four to post for the Novices' Chase at Warwick but it sees the reappearance of BALLYALTON (2.40) who hasn't seen the track since finishing runner up to no less than Faugheen in the Neptune Novices' Hurdle at the 2014 Cheltenham Festival.

Owned by golfer Lee Westwood the selection wouldn't want any further rain but he has always looked a potential top class chaser and this is a big day. Trainer Ian Williams

must think the horse still has the pace for today's 2m trip and Warwick is a track that takes some jumping especially for a novice.

Aso and Ballybolley will take them along at a good clip and a bigger danger might come from Willow's Saviour another returning from a long break for the excellent Dan Skelton.

It is impossible to oppose ALOOMOMO (3.40) such was the ease of his Uttoxeter triumph last week and he is sure to be raised by more than today's 7lb penalty when his revised mark is announced.

Gavin Sheehan missed the ride last time as he was delayed in traffic, but he is back in the plate today and the gelding will be very hard to beat.

## Allardyce lining up deal for Dunc

SUNDERLAND boss Sam Allardyce is keen to hand starlet Duncan Watmore a long-term deal.

The Black Cats boss had said that all contract talks were off until he knew if they would be in the Premier League next season.

But the 21-year-old (below) has caught the eye in his limited appearances this season and other clubs could swoop if Sunderland don't get the forward's future tied up.

He was the best performer in the 6-2 embarrassment at Goodison Park at the weekend even though he only came on as a second-half substitute.

Watmore has become a fans' favourite with his direct running and effort and those are traits that Allardyce likes.

He said: "Duncan Watmore is one we'd like to resolve as soon as possible."

"He is a different case to the others because he's a young player and he's one who down the line, you would see making a big contribution to the first-team."

"He's one you would see becoming a first-team regular."

Watmore was signed from non-league Altrincham and is happy at the Stadium Of Light — but his form has caught the eye of other Premier League sides who are tracking his progress.

## TROY HAPPY TO PLAY WITH ADE

TROY Deeney has warned Emmanuel Adebayor that his diva ways won't wash at Watford.

The Hornets hitman says he would be thrilled if the former man pitched up at Vicarage Road — but he would have to work hard just like everyone else.

The Togo striker left Spurs in the summer and is being linked with a move across London in January.

The 31-year-old (above) usually scores goals wherever he goes.

But he also usually causes trouble and leaves under a cloud.

Deeney says he would be happy with

By JOHN ANTHONY

the help in attack, as long as it didn't come with other distractions that could derail the team spirit at the club.

He said: "He's a good player, but there have been question marks over his temperament."

"Our owner's not been naïve enough to bring in any bad eggs, so I'd like to think they would assess that angle before they did bring him in."

"But his quality is there for everyone to see and, if you can get that out of him, you'll have a top, top player on your hands."

## Jord will lord it, says Saints boss

SOUTHAMPTON boss Ronald Koeman has backed big-money signing Jordy Clasie to make his name in the Premier League.

The Dutchman (below) has been subbed on his past two outings for the Saints — but he'll still be in the starting line-up for Saturday's clash with Sunderland.

The £8million man has struggled to make an impact since moving to St Mary's in the summer. But his gaffer is playing the long game.

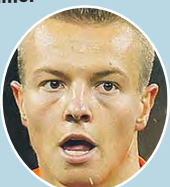

Koeman said: "He's not the physical, most strongest player and that's the reason I change Jordy after 70 minutes because he needs to learn and to adapt to the Premier League and we give the boy that time."

"He showed his qualities and he will learn and adapt to the intensity of the Premier League."

"He has big qualities in his ball possession."

Clasie was injured in pre-season after his move from Feyenoord and is only just getting into the side.

Koeman added: "We know it's difficult to replace players like Morgan Schneiderlin because he had more experience than Jordy."

**HUNGRY: Pochettino**

## Poch wants Maur than 10-games unbeaten

Tottenham v  
Anderlecht

Thursday, 8.05, BT Sport Europe

TOTTENHAM boss Mauricio Pochettino wants more from his players heading into their crucial clash with Anderlecht.

A makeshift Spurs side went down 2-1 in Belgium two weeks ago and another defeat could leave them bottom of their Europa League group.

The boss is expected to play a slightly stronger side at White Hart Lane tomorrow, but he won't risk Tottenham's excellent league form.

The Londoners went 10 games unbeaten in the top flight by beating Aston Villa on Monday night.

But Pochettino is not resting on his laurels.

He said: "It's a good achievement, but to be honest, for me, it means nothing because we are ambitious and we want to win the next game."

"The stats are good, yes, but we need to move on."

"If you look at the past you stay in the past. We need to improve, to learn."

### Maturing

"The team is growing, maturing. We are still young and we need to improve."

"It's important to learn in every game and even better when you take three points."

It will be interesting to see whether Andros Townsend is involved against the Belgians.

He was involved in a bust-up with Spurs' fitness coach in the warm down after the Villa win.

The England winger has struggled for his place in the side this season and seems to have taken out his frustration on Nathan Gardiner.

Townsend was an unused sub during the match and was reportedly seen pushing and shoving with the coach on the pitch.

Harsh words were exchanged before the player stormed off the pitch in a huff.

Townsend was linked with a move away from White Hart Lane in the winter transfer window and it's hard to see him being in north London for the start of next season.

# EUROPA LEAGUE: RUBIN KAZAN v LIVERPOOL

THURSDAY, 6PM  
BT SPORT EUROPE

IN NO RUSS: Lallana and Coutinho (inset) will take each game as it comes in the Reds' revival

# It all Ads up!

## LALLANA DESPERATE TO KEEP RED REVIVAL GOING

**ADAM LALLANA says Liverpool need to feed off their brilliant win against Chelsea.**

By JOHN ANTHONY

winning in west London must not be lost.

He said: "It was a great feeling to beat Chelsea, especially off the back of the sucker punch against Southampton the week before when they got that late equaliser."

"We made a sloppy start and we haven't been scoring many goals recently so to come back like that and win will be massive for our confidence."

"You saw 11 players out

there fighting for each other. You could see how much we wanted that win."

"It's a step in the right direction, but it's important we don't get carried away. It's just one win, we're by no means there yet."

"Now we need to think about Kazan and trying to improve our situation in the Europa League."

"They proved at Anfield what a good side they are. We need to rise to the challenge over there to keep this unbeaten run going."

Lallana has backed Philippe Coutinho to build

on his dazzling show against Chelsea.

He bagged two cracking goals and looked much more like his old self pulling the strings in midfield.

### Talented

The Brazilian needed it as his form had dipped since Klopp took over and the whispers about him leaving Anfield had started.

But Lallana thinks he's silenced any doubters with his effort against the Blues.

The former Southampton man added: "Philippe is a

class act, everyone knows that. OK, he hadn't been playing as well as we knew he could, but it was just a matter of time before he got back to his best."

"He's still young and carries a lot of pressure with how good he is."

"The new manager has come in so maybe it's just taken him a bit of time."

"Maybe he was trying a bit too hard, but once he scored that goal on Saturday it was the Philippe we all know."

"It's great to see him playing like that. He's such a talented player."

# CELLINO ENDS HIS ELL OF A TIME

**CONTROVERSIAL** Leeds owner Massimo Cellino says he won't go back to Elland Road after the fans made it clear that he isn't welcome.

The Italian (left) has pledged to sell the club to supporters' group Leeds Fans United, to bring an end to his stormy reign with the sleeping giants.

The head of LFU, Dylan Thwaites, says it's far from a done deal and that there are other bidders circling the Yorkshire club.

But any hopes the Italian had of getting into the fans' good books by saying they could have the club firmly evaporated when

By ANDY MILLOM

the crowd gave him abuse at their last league game.

Cellino said: "It pains me to make this decision as I have put my heart and soul into this club."

"But what I was subjected to at the Blackburn game left me feeling like I had no other option but to take a step away."

"After the time, effort and emotion I have given to the club to try and enable us to move forward, it hurt me a lot to hear the fans singing what they did."

"The fans made it clear they believe I am no longer the best

person for this job, and for the first time I am starting to think that they may be correct."

With a huge fanbase and big stadium, Leeds should be a target of foreign investors who would reap rich rewards if they could make it back into the Premier League.

### Crazy

And Thwaites is concerned that the fans won't end up owning the troubled team when the big money moves in.

He said: "I think it would be crazy for anyone to seek to steal this deal from the Leeds fans."

"The level of hostility

generated would be a death blow to any sensible bid plan."

Even the boss seems to be on board. Steve Evans has only been in the job for a couple of weeks and it has been a difficult start for the former Peterborough man.

But he knows that it's vital to have everyone in it together.

He said: "I think when fans are involved in any shape or form in a football club it can only be a good thing."

"Whether it's good for Leeds United, only time will tell, because I suppose there has to be a lot of talking and a lot of agreements to take place before then."

FINAL SEASON: Gerrard

## Gerrard to end on a high – at altitude!

STEVEN GERRARD has told his LA Galaxy bosses that next season could be his last.

The Liverpool legend is thinking about hanging up his boots after the campaign ends next October.

While he's enjoying the Los Angeles lifestyle, he has looked all of his 35 years out on the pitch.

He said: "It could be my last season as a footballer."

"I certainly don't want to feel like I'm feeling right now come next year. I'd love to go out on a high."

"Going on the road, playing on turf, playing at altitude, playing in humidity, those are the hurdles that I've had to face over the last three months that I wasn't aware of."

"Every away game has a different challenge."

"It's a long season and I only came here for the last four months, but I'll certainly be better for the experience."

LA Galaxy made the MLS play-offs but crashed out in the first round to Seattle.

He played 12 times for the club last season, scoring 12 goals.

## Georgi: We're nearly in Toon

GEORGINIO WIJNALDUM says his Newcastle side will start powering up the table — once they take their chances.

They were kept out by some brilliant goalkeeping by Stoke's Jack Butland at the weekend.

And the Dutchman says that's been typical of their season.

He said: "I'm happy that we're still creating chances and if we weren't doing that it would be more worrying."

"That's a good thing and maybe we just need a bit of luck to get us going."

"I still have faith it will come, but you want it right now because it's important we start winning games."

"We're standing low in the rankings and that needs to change."

"Sometimes it can take time and there are positive things in the team as well."

# GUNS WILL FIRE!

ON THE ATTACK: Wenger says his Ars will need to relieve the pressure

## Wenger going on attack in Germany

By MARK NAYLOR

ARSENE WENGER says his team won't be parking the bus in Munich tonight.

The Gunners managed a smash and grab victory over the German giants at the Emirates last month.

They were happy to sit back there and hit Pep Guardiola's side with two counter-attack strikes in the surprise 2-0 win.

It's not like Arsenal to let their opponents have more of the ball and the Frenchman admits that they need to be on the front foot too.

Victory in Bavaria would cap an amazing turnaround in the Gunners' Champions League campaign.

They still sit bottom of the group, but are in touch despite losing their first two games to Dynamo Zagreb and Olympiakos.

And Wenger is off to Germany to pick up another three points, even though he admits that he would be more than happy to escape with a point.

He said: "To sit off Bayern, with their offensive quality, that would be difficult to maintain for 90 minutes."

"We have to relieve the pressure whenever we can and try to score goals."

Gunnars defender Gabriel agrees with his manager, saying it would be difficult to sit back in what should be a noisy atmosphere in Germany.

He said: "At home we were able to impose ourselves a lot more."

"We attacked a bit more but I think when we play away, we also have to have a slightly different outlook."

"That doesn't mean we'll spend the whole game defending. We're

a big team, we're Arsenal and we need to attack because we need the result."

"But we need to attack with intelligence and make sure we don't suffer a defeat and complicate our situation for the rest of our competition."

"We feel more confident within the competition than after the first two games."

Some of the Munich players moaned that Arsenal sat back too much at the Emirates, even though the tactics proved to be a spectacular success.

Manchester City flop Jerome Boateng (*below*) was particularly critical of the Gunners, hinting that he thought they were lucky to get the three points.

The central defender said: "Arsenal pulled everyone back at their place and I guess it'll be pretty much the same again."

"We have to do a lot better against them this time."

Gaffer Guardiola says his team must be good enough to adapt to whatever Arsenal do — or don't — throw at Bayern.

He said: "Our opponents are free to play the way they want."

"We have to be in a position to attack well. Football isn't always the way you want it to be."

His captain Phillip Lahm says Bayern must make the most of their home advantage and do a lot better than they did in London.

He said: "We're playing at home, it's a top match, and we aim to win. It's an important game for us if we want to get to the next round."

"They're a top team with top players. At this level we have to prove we're the better team."

# VAN GAAL'S ROBOTS KAN'T WIN

By BRENDAN MACKIE

ANDREI KANCHELSKIS is the latest Man United legend to stick the boot into Louis van Gaal.

The winger was a cult hero of the Stretford End as Sir Alex Ferguson's teams played some of the most attractive football ever seen in the top flight.

He's dismayed at what he sees now at United, saying Van Gaal treats his players like "robots".

He's not alone with Paul Scholes in particular not impressed by the Dutchman's cautious tactics.

For Kanchelskis (*left*), Van Gaal is just too boring and stuck in his ways. The Russian said:

"Van Gaal is too pragmatic, his footballers play like robots."

"They are kept within a strict framework, they are not allowed to improvise, contrary to what Ferguson allowed us to do."

"Van Gaal, of course, is a good coach but, in my opinion, he is not for Manchester United. I'm looking at his game for the second season now."

"He says that the transformation is going on, but I still couldn't understand what he is looking for."

"There is an impression that he

doesn't know what he wants. No creative players, no wingers. Nobody could serve Wayne Rooney."

"The current Manchester is not the same as it was under Ferguson."

### Sharp

Kanchelskis had his first close-up view of United this season when they played CSKA Moscow at Old Trafford.

He didn't mince his words in sticking the knife in, saying: "I was at the stadium and I was surprised how disgustingly United played in the first half. A

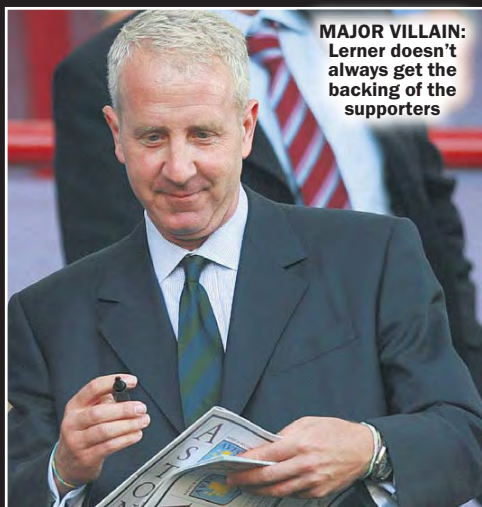

lot of ball control but no sharpness at all."

"In the second half it got better because of the substitution of Bastian Schweinsteiger, who was slowing the game down. I guess, Manchester United is not his team."

"It's in the history and tradition of Man United to play wide and be sharp at the flanks, but there is nothing like this now."

"Yes, changes in the second half had worked. Marouane Fellaini was a good sub and, if he were used properly, he could be very useful."

**MAJOR VILLAIN:**  
Lerner doesn't  
always get the  
backing of the  
supporters

## Lerner hopes Remi keeps Villa in Prem

ASTON VILLA owner Randy Lerner admits that he's let the club fall "way behind", but hopes new boss Remi Garde can turn things around.

The former Arsenal player has replaced Tim Sherwood as boss of the Brummies and faces a huge challenge to keep them in the Premier League.

Villa sit rock bottom of the table and have lost NINE times in 11 games this term.

The Frenchman was in the stands to see the latest reverse against Tottenham on Monday night and thinks he's the right man for the job.

Garde said: "It is an unbelievable honour to be the manager of such an illustrious football club.

"I've had extremely positive meetings with both the owner, Randy Lerner, and chief exec Tom Fox.

### Humour

"They have ambitious plans for the club and I'm excited that they have turned to me to help realise them.

"Obviously we have a difficult task in front of us but I'm looking forward to the challenge with the support of everyone who loves Aston Villa."

Lerner knows he's expecting miracles from the new boss and takes some of the blame for the club's position.

They lost their key stars in Christian Benteke and Fabian Delph in the summer and the 13 men brought

By **ANDY MILLOM**

in by Sherwood hasn't helped matters.

Lerner said: "Remi came with ideas, honesty, humour and a steely sense of what it will take for Aston Villa to be what it is meant to be – hard-working, tireless, creative and unwilling to concede.

"Nobody at Villa can deny that we are way behind.

"We recruited fairly aggressively this past summer and it is our job to now harvest this talent rather than buckle under pressure and criticism – we are better than that.

"On behalf of the board, we wish Remi every success.

"We are confident that he is the manager who can deliver the best from the current squad and help set the club up for future success."

## CHAMPIONS LEAGUE GROUP G:

# JOSE'S A FAB GAFFER

## Spaniard gives his support as Mourinho struggles on

**YOU know things are bad for Jose Mourinho when his players have to start saying that he's still a top boss.**

While many senior players have kept quiet as the Chelsea gaffer has gone from one crisis to another, at least Cesc Fabregas is right behind him.

The Spaniard got his phone out and took to Twitter to tell the world that he still thinks the Portuguese is the right man for the Bridge.

There were reports in some downmarket newspapers over the weekend that Fabregas was the leader of some kind of dressing-room revolt against Mourinho.

That was after he was dropped to the bench for the champions 3-1 home

By **MARK NAYLOR**

spanking against Liverpool on Saturday.

One BBC reporter even went as far to say that Fabregas was HAPPY his team had lost because it would push Mourinho closer to the sack.

But going into what looks like a make or break match against Dynamo Kiev tonight, Cesc blasted the rumour.

He said: "I would like to clarify that contrary to a few reports from some online websites, I am extremely happy at Chelsea and have an excellent relationship with the manager.

"There may be certain individuals from the outside trying to destabilise this club, but I strongly believe

that we will bounce back and come good again."

So there you go, Fabregas is playing like an asthmatic Sunday league midfielder because he's out of form, not to get Mourinho the bullet.

But it might not matter what the players think if results don't improve soon for the boys in blue.

### Panic

It's amazing to think that Chelsea have lost NINE times already this season — and it's not even Bonfire Night yet.

Defeat against the Ukraine champions tonight would leave their European future in doubt and would surely be the final straw for owner Roman Abramovich.

He wants to back Mourinho, but it will be hard

to stand by him if they crash out of the Champions League while sitting in 15th place in the table.

One thing is for sure, the Premier League pennant won't be flying over Stamford Bridge next season.

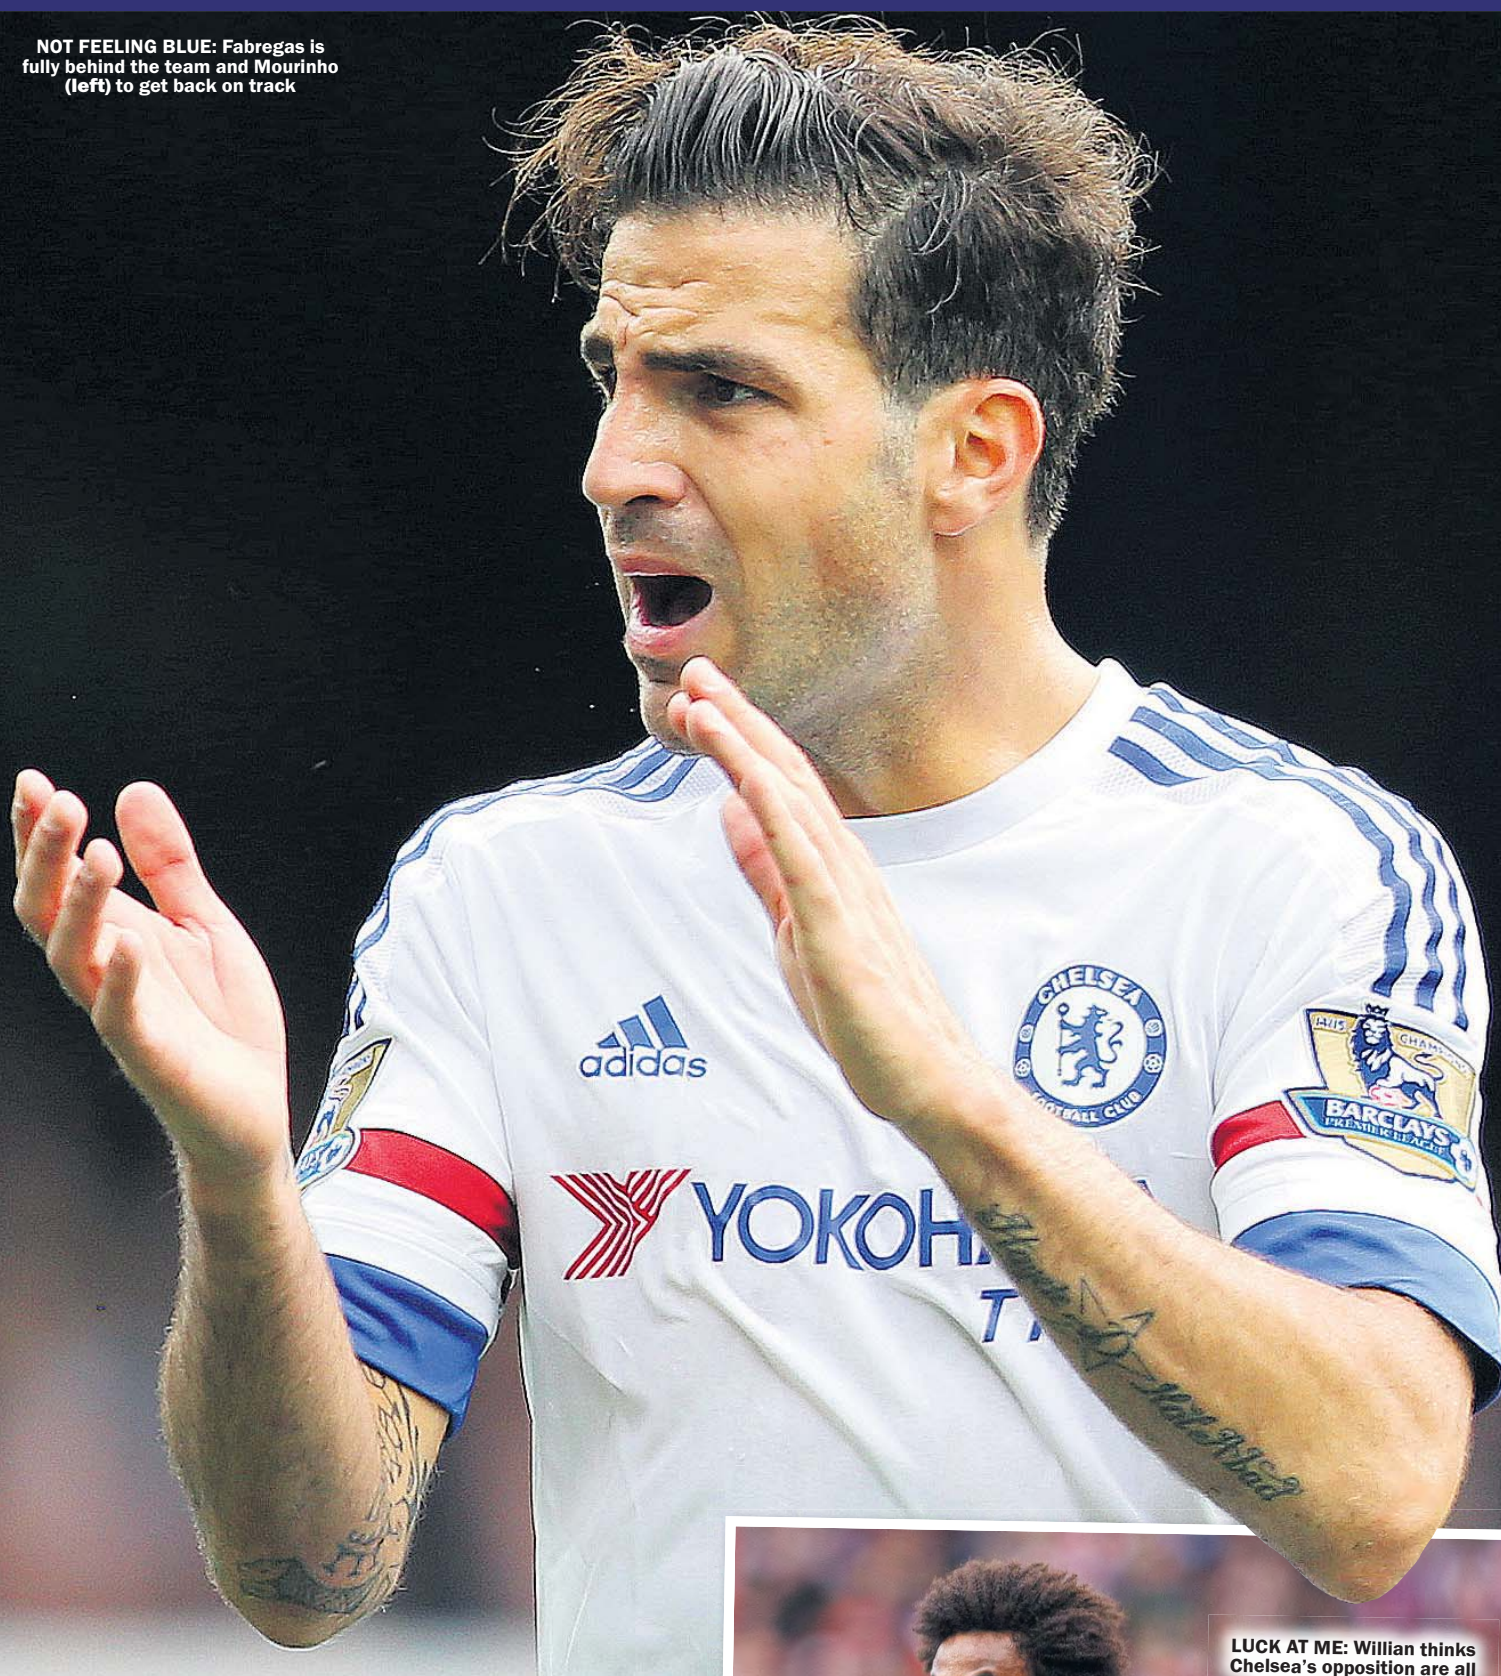

But the billionaire owner would be devastated if his team wasn't at Europe's top table as well.

If things don't turn around quickly, he is likely to press the panic button and bring in a figure like Guus Hiddink with the sole job of finishing in the top four.

Eyebrows will also be raised in west London after the bookies reported a massive run of bets on Fabio Capello to take over. He's close to Abramovich from his time as Russia boss.

One player who has been

**CHELSEA v DYNAMO KIEV**WEDNESDAY, 7.45PM  
LIVE ON BT SPORT 2**NOT FEELING BLUE:** Fabregas is fully behind the team and Mourinho (left) to get back on track

giving his all on the pitch is Willian.

He stood out in the defeat against Liverpool and has been one of the bright sparks in a shocking campaign.

Although he might have been drinking whatever Mourinho has been on because he thinks they were unlucky against Jurgen Klopp's men on Saturday and in some of their other defeats.

That aside, he thinks Chelsea are capable of coming back and flying up the table. According to the Brazilian, all they need is a little bit of luck. He said: "I don't know how to explain the situation, because we play well but haven't got the results."

"Maybe we are not getting the luck this season."

"Every time they shoot, they score. When we shoot, the

keeper saves it or it hits the post.

"It's difficult for us but we can turn the situation around and start to win matches."

And he explains that Mourinho has NOT lost the dressing room and is still sending out the players fired up for every game.

**Pressure**

He added: "He gives us confidence to play and show our quality."

"The results aren't coming but we have to keep going. We need to train more, fight and the results will come."

"We know we have pressure and we know we are in a bad situation because we are not winning matches, but we can turn the situation around and we can do it in the next match against Dynamo Kiev."

**DESPERATE:** Bony

## Bony Wil give it all to get fans on his side

**WILFRIED BONY** has called on the Man City boys to give him more time.

He's already become a firm foe of many in the Etihad crowd after a series of below-par efforts since his £25million move from Swansea in January.

The Ivory Coast star came in for plenty of stick against Norwich at the weekend when he missed a host of good chances and didn't exactly run his cobbles off.

That has summed up his time in Manchester, which has been blighted by a run of injuries and illnesses, combined with several untimely international breaks.

But he claims he's the right man to fill Sergio Aguero's boots until the Argie returns from injury — and then he can build a partnership with him.

Bony said: "I'm trying everything to score goals, but they did not go in for me on Saturday."

"I hope soon they will. I am here to score goals."

"I just want to do my job, do my best in training and score when get my chance in the match."

"A striker is happy when he scores, especially when the team wins — but the most important thing is to win."

**Criticism**

Bony was struck down with malaria on one of his trips home for an international and that might be why his fitness levels don't seem quite what they should be.

But the 26-year-old has the backing of City manager Manuel Pellegrini.

The Chilean knows Bony is a key man for their title charge with David Silva also on the sidelines for the next few weeks. It leaves City a bit short of attacking power.

Youngster Kelechi Iheanacho has come in and done well, but the boss is trying to ease him into the side gently — and he also seems reluctant to play Raheem Sterling in every match to preserve his fitness.

Pellegrini said: "At this moment, as happens with a lot of strikers, he's not scoring the number of goals that he can."

"He has had some criticism about his last games and maybe he missed some chances, but I am sure that in the future he will return to his normal performance."

"He is a very good player."

### CHELSEA SKIPPER LEAPS TO MANAGER'S DEFENCE

# IT'S MOUR OUR FAULT

WAR CRY:  
John Terry  
wants the  
players to  
sort out  
Chelsea's  
troubles

By PAUL THOMAS

**JOHN TERRY** says it's the Chelsea players and NOT Jose Mourinho that have dropped the champions in the brown stuff.

The skipper finally broke his silence to give his backing to the Portuguese.

And he's vowed that it's down to the players and not the manager to sort it out.

Chelsea go into tonight's game with Dynamo Kiev on a nightmare run that has seen them win just one of their past eight.

And Terry thinks the stick being copped by the manager should be aimed at the players.

He said: "Of all the managers I've worked with, and in all aspects, he's by far and a long, long way the best."

#### Learn

"We are going to turn it around. No ifs, no buts. I'm sure, I'm adamant that we'll turn this around and he'll be in charge for the rest of the season and long after I've finished playing for this club."

Mourinho himself says he's learning from this crisis.

He added: "I try to be a better coach every day. I try to analyse every detail of my work every day. That's why I'm a good one."

"But when you get to my level it is difficult to learn."

"I said that one day in my career bad results will come and I will face the bad results with the same honesty and dignity that I'm facing now as European champion."
